APPENDIX A: DATA GLOSSARY

ADMINISTRATION EXPENDITURE: The expense which has as its purpose the general regulation, direction, and control of the affairs of the school district, e.g., supplies and travel expenditures of the board of education, superintendent's office, business management; administration of the buildings and grounds; and other services such as legal, research, school census, and public relations.

ALL OTHER EXPENDITURES: Expenses that have not been recorded in any of the other categories including attendance, health, and other miscellaneous items.

ALL OTHER REVENUE: Revenue that has not been provided for in other categories including interest on investments, sale of property, tuition, and other items.

AUTISM (AUT): A developmental disability significantly affecting verbal and nonverbal communication and social interaction, generally evident before age three, that adversely affects a child's educational performance. Other characteristics often associated with autism are engagement in repetitive activities and stereotyped movements, resistance to environmental change or change in daily routines, and unusual responses to sensory experiences. Autism does not apply if a child's educational performance is adversely affected primarily because the child has an emotional disturbance. A child who manifests the characteristics of autism after age three could be identified as having autism if the criteria in this definition are satisfied.

AVERAGE DAILY ATTENDANCE (ADA): The aggregate days of attendance (based on five clock hours of school work per day) of a given school during a reporting period divided by the number of days school is in session during this period. Only days on which the pupils are under the guidance and direction of teachers are considered as days in session.

AVERAGE DAILY ENROLLMENT (ADE): The aggregate days of enrollment of a school during a reporting period divided by the number of days school is in session during this period. Only days on which pupils are under the guidance and direction of teachers are considered as days in session.

BOND: A written promise, generally under seal, to pay a specified sum of money (called the face value) at a fixed time in the future (called the date of maturity). It carries interest at a fixed rate, usually payable periodically. The difference between a note and a bond is that a bond usually runs for a longer period of time and requires greater legal formality.

BOND PRINCIPAL RETIRED EXPENDITURE: Those activities involving the retirement of the bonded indebtedness of the Local Educational Agency (LEA).

CAPITAL OUTLAY EXPENDITURES: Disbursements for the acquisition of fixed assets or additions to fixed assets. These are disbursements for land or existing buildings, improvement of grounds, construction of buildings, initial equipment, additional equipment, and replacement of equipment.

COMMUNITY SERVICES: Those activities that are not directly relatable to providing education for pupils in an LEA. These include services provided by the LEA for the community as a whole or for some segment of the community, such as community recreation programs. (Excluding Capital Outlay expenditures reported separately.)

DEAFNESS (D): Ahearing impairment that is so severe that the child is impaired in processing linguistic information through hearing, with or without amplification, that adversely affects a child's educational performance.

DEBT SERVICES: The servicing of the debt of an LEA, such as interest on Anticipation Warrants, Anticipation Notes, Teachers Orders, Bonds, Corporate Personal Property Replacement Tax Anticipation Notes, State Aid Anticipation Certificates, and other interest on debts.

DEAF-BLINDNESS (D-B): The child has concomitant hearing and visual impairments, the combination of which causes such severe communication and other developmental and educational needs that they cannot be accommodated in special education programs solely for children with hearing impairment or children with visual impairment.

DEVELOPMENTAL DELAY (DD): Child with a disability for children aged three through nine (or any subset of that age range, including ages three through nine), may, subject to the conditions described in § 300.111(b), include a child— (1) Who is experiencing developmental delays, as defined by the State and as measured by appropriate diagnostic instruments and procedures, in one or more of the following areas: Physical development, cognitive development, communication development, social or emotional development, or adaptive development; and (2) Who, by reason thereof, needs special education and related services.

EMOTIONAL DISTURBANCE (ED): A condition exhibiting one or more of the following characteristics over a long period of time and to a marked degree that adversely affects a child's educational performance: (A) An inability to learn that cannot be explained by intellectual, sensory, or health factors. (B) An inability to build or maintain satisfactory interpersonal relationships with peers and teachers. (C) Inappropriate types of behavior or feelings under normal circumstances. (D) A general pervasive mood of unhappiness or depression. (E) A tendency to develop physical symptoms or fears associated with personal or school problems. Emotional disturbance includes schizophrenia. The term does not apply to children who are socially maladjusted, unless it is determined that they have an emotional disturbance under this definition.

EXPENDITURE: A charge incurred, whether paid or unpaid, which is presumed to benefit the current fiscal year.

FEDERAL FUNDS: Amounts received for federal programs, grants, and contracts.

FULL-TIME EQUIVALENCY (FTE): The amount of time an employee actually spends in an assignment category as a proportion of the amount of time that a full-time employee would be expected to serve in the assignment category. FTE is rounded to the nearest tenth decimal place.

FULL-TIME PERSONNEL (FT): Employees whose positions require them to be on the job throughout the school year for at least the number of hours the schools in the LEA are regularly in session.

GENERAL ADMINISTRATION: Activities concerned with establishing and administering policy in connection with operating the local education agency.
