APPLICATION FEE REFUND REQUEST

EDUCATOR EFFECTIVENESS DEPARTMENT

TO BE COMPLETED BY THE EDUCATOR

INFORMATION: An applicant who has applied for a credential, but now needs to request a refund for one of the reasons listed below can do so by completing this form. **Refund requests can only be considered for applications that are still in Pending Review (PR) status and the request is received within seven days of the application date.** Refunds requested for registration fees will be reviewed on an individual basis as these applications do not go to PR status, unless there are issues with the background questions. If we can switch an application for something of the same type and fee amount, we will do so with your authorization as indicated in the applicable section below. *If it is determined that a refund is needed due to a system issue or overpayment of fees, then we may disregard the PR status requirement.* All refunds will be credited back to the credit/debit card used to make the payment.

DIRECTIONS: Log in to your ELIS account, click My Credentials, and verify the status and date of your application. The applicant should provide all applicable information requested on this form, add your electronic signature, date the form, and click the **Submit via Email** button at the bottom of the form to submit directly to ISBE. If you do not have an electronic signature, please print the form, sign and date at the bottom, save the printed form as a PDF file, and email the completed form to licensurefees@isbe.net.
