<p>If the student does not respond or responds incorrectly at Level 2, the student receives a score of 1.</p>		<p>1</p>

Correct answer: Winter

Hannah always wrote about the weather in her journal. Here is what she wrote yesterday:

“January 12: It has snowed every day for a week and today the wind is blowing. The blowing snow makes it hard for people who drive cars. It is really cold. Maybe we will not have school today.”

- Say: **Here is an example. Each season has weather that is different from the other seasons. In the fall, the leaves change colors and fall from the trees. The season described in this passage is Fall.**
- Turn back to the primary task page and re-present the primary task and answer options.

Each season has weather that is different from the other seasons. In the fall, the leaves change colors and fall from the trees.
