

ISBE DELL e-Broadcast 2005.11 Student Assessment Listserv

Dear Educators:

Please review the message below and respond directly to ISBE's Student Assessment Division.

### **Student Assessment Listserv**

The Division for Student Assessment is pleased to announce that we now have an email listserv service available to those who need or want direct information regarding Illinois state testing. The listserv members will receive periodic email updates regarding about state testing. The information sent out to the listserv will also be posted on our website and in the Superintendent's bulletin. This is intended to provide a more direct method for receiving the announcements and information. This is not an interactive listserv though participants can send individual messages to Student Assessment.

If you are interested in receiving direct information from ISBE's Student Assessment Division, then you may sign up for this listserv by emailing a blank email to: <mailto:assessment-join@list.isbe.net>. Please send this blank email from the email account you want to receive these messages. You will receive an email confirming your enrollment.
