1. Objectives and Activities (*Summarize the grant activities completed.*)

An incentive application was completed by the LEA's agriculture teacher(s) based on set quality indicators for an Agricultural Education Program. Based on the level of quality indicators, a schools grant amount was determined. Budgets were completed by local LEAs in our region. The grant is used to benefit student learning and improve an Agricultural Education Program in several ways including but not limited to: adding new technology to the classroom and/or laboratory, introducing new curriculum, purchasing items to improve instruction and student learning and involvement.

2. Accomplishments (*Briefly describe the accomplishments.*)

Monies were spent on items directly used in the classroom or to improve learning environment specific to Instruction and/or Improvement of Instruction Services. Schools purchased a variety of items either in Instructional Materials, Capital Outlay, and/or Purchased Services: Curriculum & Supplemental Instructional Materials; Tools and Equipment for Ag Mechanization, Ag Science, and Horticulture; and Computer Software and Audiovisual Equipment. Students were directly impacted in a positive way by the use of this grant.

3. Other Comments, Concerns, or Future Goals (*Provide other comments as necessary*)
