

**Illinois State Board of Education (ISBE)
 Student Information System (SIS)
 Special Education Coop Access To SIS
 September 22, 2009**

#	Question	Answer
1.	How do I access the fall housing reports?	Fall Enrollment Counts are public information and can be accessed on the www.isbe.net website.
2.	Where is testing site noted in SIS so that ISAT are shipped to correct place?	In the Assessment Pre-ID Report, the field labeled Testing RCDTS is the location the Pre-ID label is sent too.
3.	Can multiple coops work with the same public district?	No
4.	If coops can not see IEP students, how can they determine where a student is, that may not be coded as IEP? (but SHOULD be coded as IEP) Do they simply contact the home district, or is there anything they can view in SIS that might help?	Yes, only the Home School (Public School District) can edit the data.
5.	Will the SIS data and IEPoint data merge for reporting purposes?	ISBE is looking into this.
6.	Will this presentation be available to download?	Yes, the Webinar playback is available at http://www.isbe.net/sis/html/archived_meetings.htm .
7.	If we receive a mismatch on the SIS numbers which one is correct?	Please call the SIS help desk. 217-558-3600.
8.	I need printouts I couldn't take any notes - speaking too fast.	The playback for this presentation and the PowerPoint are available for download at http://www.isbe.net/sis/html/archived_meetings.htm .
9.	How do we get access in IWAS for the SIS? Is it automatic if we have an IWAS account?	Log into IWAS. Select "System Listings". Select "Sign Up for Other Systems". Find "Student Information System StateWide" in the list of systems.
10.	How are you differentiating Pre-K and Early Childhood?	Pre-K and Early Childhood are all students ages 3-5 regardless of IEP status.
