

**STATE OF ILLINOIS
ILLINOIS PURCHASED CARE REVIEW BOARD**

MEMORANDUM

TO: All Private Facility Administrators

FROM: Illinois Purchased Care Review Board

DATE: July 7, 2009

SUBJECT: Delay in 2009-2010 Private Facility Rates

Please be advised that while tuition and room & board rates for the 2009-10 school year are being set by the Illinois Purchased Care Review Board (IPCRB) in the most expeditious manner possible, not all rates may be set prior to the start of your program(s) school year.

In the event that the rate(s) for your program(s) are not set prior to the start of the school year, you should use the 2008-09 school year rate for any placement contracts and/or billing to districts.

Rates that are set and approved by the IPCRB for the 2009-10 school year will be retroactive back to the start of the school year pending ISBE program approval.

If you have any questions regarding this matter you may contact Satu Allen or Beth Burkhalter at 217-782-5256 or via email at saallen@isbe.net or bburkhal@isbe.net
