PARCC EOY Data Transfer Complete

ISBE has completed the transfer of student registrations, test sessions, and PNP data to the EOY administration in PearsonAccess Next (PAN). EOY data (i.e. test sessions, PNPs, etc.) can now be updated via PAN. Remember, under “Operational Reports,” you can run a summary report of all current PNP/Accommodations assigned to student tests. ISBE will continue to update PAN with new student enrollments but will make no other changes to PAN. If you have specific questions about the data transfer, contact SIS at 217-558-3600, Option 2. As always, keep SIS updated with changes to student information.

Helpful Hint: Make Sure You Are in the Correct Administration in PearsonAccess Next

Before you perform any tasks in PAN, please make sure that you are in the correct administration, PARCC Op Spring EOY 2015. You can change this at the top of the page:
