As promised, here is more information about the TLC Workshop that will be held in Bloomington on June 24. There will be no cost for the event but participants must register. I’ve also included information for the Lead, Focus, Connect Conference which takes place the day before in the same location. This is another conference that might be of interest to some of you and you are all invited.

I really hope you consider joining us. This is the first time we’ve had an event like this and it will be a great opportunity to network and keep yourself up-to-date on the most recent developments in Illinois standards and assessment.
