SchoolSuccess Online Scoring System Overview

- www.iaapearson.com

- Teachers record all student scores for the Illinois Alternate Assessment (IAA).

- Coordinators have several key duties to perform to ensure that all scores are entered in a timely fashion:
  - Create teacher accounts
  - Create teacher classrooms
  - Assign students to a teacher classroom
  - Monitor teacher score entry progress
SchoolSuccess Online Scoring System Timeline

• February 4
  • Coordinators receive an email with their username and password

• January 4 – February 22 (before the test window)
  • Coordinators should complete all website set-up, so that the teacher is able to enter scores, once the test window opens.

• February 25 – March 22 (during the test window)
  • Test Window- Coordinators can run reports in SchoolSuccess to monitor score entry progress.

• March 22
  • All scores must be entered by Friday, March 22 at 11:59 pm.

Removing Students

- If you have students on your list that are not testing at your facility:
  1. Have the home district update the student’s Testing RCDTS code in SIS,
  2. AND fill out a **Student Transfer Request** to have them moved to the correct location.

- If you have students on your list that will not take the IAA because they will take the ISAT or PSAE:
  1. Call Pearson’s Customer Support Center at 888-705-9413 to have the student(s) archived in SchoolSuccess,
  2. AND contact your SIS administrator to have the correct test assigned to the student in SIS.

- If you have students on your list that are not in a valid testing grade:
  1. Call Pearson’s Customer Support Center at 888-705-9413 to have the student(s) archived in SchoolSuccess,
  2. AND contact your SIS administrator to have the student’s grade level updated in SIS.
Student Transfer Requests

• Student missing from active student list and unable to create new student

• Student had the wrong Testing School RCDTS code listed in SIS
Student Transfer Request Requests

1. Check with your SIS administrator to ensure that the student’s Testing location information has been updated to the correct location, so Pearson can verify and apply the change requested.

2. Go to Resources on SchoolSuccess home screen for Student Transfer Request.

3. Send request to Pearson at IAA_Pearson@support.pearson.com

4. Allow THREE (3) business days for student transfer to be updated.
