Overview
The Test Accommodations Coordinator (TAC) is responsible for determining which students need to test with accommodations and ensuring all requests for test materials have been submitted to ACT by the deadline.

ACT provides test accommodations in accordance with Title III of the Americans with Disabilities Act (ADA). Schools provide accommodations under different regulations. Thus, having a diagnosis and receiving accommodations in school do not guarantee approval of those accommodations for the ACT.

Two different types of accommodations are available for the ACT. Review the information below to determine the best option for each student.

ACT-Approved Accommodations
ACT-Approved Accommodations are available for students with diagnosed disabilities who are receiving special education services described in a current Individualized Education Program (IEP) or Section 504 Plan. The procedures beginning on page 2 of this document are specific for ACT-Approved Accommodations.

State-Allowed Accommodations
State-Allowed Accommodations are available for students who do not meet the eligibility requirements stated in this document (or whose application for ACT-Approved Accommodations is denied or only partially approved). The procedures beginning on page 2 of this document are specific for ACT-Approved Accommodations. Follow the instructions in the chart below to request State-Allowed Accommodations for students at your school.

Deadline
To be considered for testing, applications and all required documentation for ACT-Approved Accommodations must be received by ACT no later than January 25, 2013.

State-Allowed Accommodations online orders must be submitted no later than April 3, 2013.

Differences between ACT-Approved and State-Allowed Accommodations
The chart below describes the differences between ACT-Approved and State-Allowed Accommodations.

Eligibility Requirements
To be considered for ACT-Approved Accommodations, students must meet ALL of the following requirements:

   - If diagnosed for the FIRST time before September 2009, reconfirmation is required within the last 3 years. A current IEP or Section 504 Plan on file at the school may serve as reconfirmation, provided the initial diagnosis was made by a qualified professional(s).
   - If FIRST diagnosed within the last 3 years, full written diagnostic documentation must be submitted with the application.
2. **Current IEP or Section 504 Plan must document ALL accommodations requested are provided in school.** Submit a copy of the student’s current IEP or Section 504 Plan that supports the need for all requested accommodations due to the disability. The student’s name and effective dates must appear on all pages submitted.

ACT Guidelines for Documentation
Documentation must be written by the diagnosing professional and must meet ALL of these guidelines:

   - For visual, hearing, psychological, emotional, or physical disorders, must provide detailed results from complete ocular, audiologic, or other appropriate diagnostic examination.
5. **Describes the substantial limitations** (e.g., adverse effects on learning, academic achievement, or other major life activities) **resulting from the impairment,** as supported by the test results
6. **Describes specific recommended accommodations** and provides a rationale explaining how these specific accommodations address the substantial limitations
7. **Establishes the professional credentials of the evaluator,** including information about licensure or certification, education, and area of specialization

Confidentiality of Documentation
Schools are required to provide the necessary information and documentation to support applications for ACT-Approved Accommodations. The designated state education agency has authorized ACT to collect and review this documentation. All documentation provided to ACT will be kept confidential, and will not become part of the student’s ACT score record.
Procedures for Applying for ACT Test Accommodations
PSAE Day 1—Spring 2013

Instructions for Submitting the Application
A school official such as a counselor, special education teacher, or principal is to complete an application for each student for whom ACT-Approved Accommodations are requested. The application may be photocopied or downloaded from your state’s website. To be processed, each application must:
- be received at ACT by the deadline,
- be complete and include all required signatures, and
- be accompanied by all required documentation.

If any of the information provided is false, ACT reserves the right to cancel scores.

Side 1
Tear the application at the perforation to separate the form from the rest of this document.

A. Student Information. Student address is required. If not available, school address may be used.

B. Previous Approval of the Same Accommodations on the ACT. Mark the appropriate answer. If no, complete both sides of the application and submit required documentation.

C. Diagnosed Disability. Check all applicable disabilities as stated in written documentation on file at the school. Pay attention to those diagnoses that require full documentation for approval. Include FSIQ where requested.

D. Test Format Requested. The type of materials applied for must be supported by the accommodations plan at school or on a previous “ACT Accommodations Approval” letter for this student. Documentation of a visual disability is required to support requests for large type test booklets. Both scannable and large block answer sheets are provided with each large type booklet. If no test format is selected, regular type will be assigned. Important—Students using cassettes/DVDs may test as a group. Students must use headphones and begin each test at the same time. We provide usage guidelines and track listings with each set of DVDs.

E. Time Requested. Mark the option most similar to the accommodations normally provided at school. ACT will assign a timing code based on the disability and approved test format.

F. Other Accommodations Requested. If needed due to the disability, explain in detail and submit supporting documentation. Complete only if other accommodations are requested.

Side 2
G. Specific Disorder or Condition. Must be specific. The following terms are not sufficiently specific: specific learning disabilities (SLD), other health impaired, perceptual communication disorder, processing disorder, etc. For learning disabilities, please use the DSM-IV diagnosis, if available, as stated on the documentation from the diagnosing professional.

H. History of Diagnosis. The diagnosing professional’s credentials must be appropriate to the disability. If the disability was identified by an IEP team, list relevant titles and specializations.

H-a. If FIRST diagnosed before grade 9, complete only the “age or grade of student” when diagnosed. If FIRST diagnosis was within the last 3 years, submit complete diagnostic documentation with the application form (see “Guidelines for Documentation” section).

H-b. If recently re-confirmed, there must be a re-confirmation within the last 3 years by a psychologist, learning disabilities specialist/team, or other qualified professional, or team of professionals, with direct knowledge of the student’s disability. A current IEP or 504 Plan on file at the school may serve as reconfirmation.

I. Current IEP or 504 Plan on File at School. Indicate the type of accommodations plan now on file at the school and attach the required copy. The student’s name and effective dates of the IEP or 504 Plan must appear on all submitted pages.

J. School Official’s Signature. Read and sign the statement. A relative of the student may not sign.

K. Student/Parent Signature. If the student is 18 or older, the student must sign. If the student is younger than 18, his/her parent or legal guardian must sign. School official may sign for the parent if approval has been obtained by phone; note “per phone call” and initial. If no signature is provided, ACT cannot legally review the application.

Instructions for Completing the Header
A completed ACT-Approved Application Header must accompany all application forms when being submitted. Tear the header at the perforation to separate the form from the rest of this document.

Follow all instructions provided on the header, with two important steps being:
1. Submit ACT-Approved Application forms as a group.
2. Include an alphabetical list of students whose applications are being submitted to ACT.

Review of Application and Response by ACT
Application forms are processed in the order they are received at ACT. Early applications are encouraged.

If the student is … Then …

Approved

- A roster will be sent to the TAC which lists each student and specifies the accommodations, timing code, test format, and any other accommodations approved for that student.
- ACT will send an authorized accommodations letter for the student to the school’s TAC.

Not Approved

ACT will send written notification to the TAC, giving the TAC these options:
1. Submit additional documentation to support the application. Must be submitted in writing – a fax reply will assist in meeting deadlines. Refer to the Checklist of Dates for this deadline.
2. Test standard time. If you fail to submit additional documentation when requested or by the deadline, the student must test with standard time limits and use a regular type (10-point) test booklet without accommodations.
3. Order State-Allowed Accommodations by requesting the test type and quantity of materials needed for your school at www.act.org/aap/state/saorder.html by the deadline provided in the Checklist of Dates.
Common Reasons for Denial
The most common reasons why ACT cannot approve the accommodations requested for a student are listed below. Make sure the application form is completed in its entirety.

- **Section C, Other Disability.** If you mark Other, be sure to complete Section G.
- **Section C, Check all that apply.** Check all diagnosed disabilities that apply to the student.
- **Section I is blank.** Make sure you check the appropriate box in both parts 1 and 2 and attach the documentation.
- **Section K has no signature.** If there is no signature, ACT cannot legally review the application.

Preliminary Roster
If applications were submitted by the deadline and approved, a preliminary roster will be sent to the TAC. Refer to the Checklist of Dates for its arrival date. It will list each student and specifies the ACT-Approved Accommodations, timing code, test format, and any other accommodations that have been approved for each student.

- Review the roster carefully and follow instructions provided in the cover memo that will accompany the roster.
- ACT may not approve all of your requested accommodations. The roster will be the only notification you receive.

Determining Day 2 Accommodations
ACT's approval of accommodations applies to the Day 1 administration only. However, schools will need to order from Pearson's PSAE TestSites Online system the quantity and type of alternate formats needed for the Day 2 administration. Accommodations test materials ordered for Day 2 are not assigned to specific students and test time is determined locally.

Timing Codes
ACT will provide a roster which specifies the ACT-Approved Accommodations, timing code, test format, and any other accommodations that have been approved for each student. Students with different timing codes may not test in the same room; students approved for a reader's script must test individually; and ACT-Approved Accommodations must be administered separate from State-Allowed Accommodations. Do NOT mix these two groups in a room together. If ACT procedures are not followed, the resulting scores will be cancelled.

Assignment of ACT-Approved Test Materials
ACT assigns specific test materials (by serial number) to each student in an individually wrapped package. Only the authorized student may use the materials; they may not be used by another student, or transferred to another test site. If ACT procedures are not followed, the resulting scores will be cancelled.

Preparing for Testing
A copy of Preparing for the ACT, which includes information about the tests, test-taking strategies, and complete practice tests, is available. Schools have a supply of this free booklet for distribution to students.

Many schools have previously ordered a copy of a practice test in Braille, large type, or on cassettes or DVDs for their libraries. If your school does not have copies available, you may order these alternate format practice tests directly from ACT at no charge. Refer to ACT's website on Services for Students with Disabilities at www.act.org/aap/disab/ for more information. You will receive Preparing for the ACT Special Testing with each alternate format ordered; it contains the scoring keys.

Before requesting DVDs for the actual testing, work with technical personnel at your school. Order the practice ACT tests on DVDs so that you can test them on your equipment. Also have students take the practice tests so they will be comfortable using DVDs on test day.

ACT Repeat Testing
Students who were approved for ACT-Approved Accommodations may, at their option, apply to take the ACT again with the same approved accommodations*. Refer to ACT's website on Services for Students with Disabilities at www.act.org/aap/disab/ for those application forms.

Purpose
The ACT-Approved Application Header is vital to the application process and is required from every school that submits an ACT-Approved Application. The header serves as a way for ACT to track applications throughout the approval process. Also, the high school code and name on the header indicates where the school intends to test their students and where test materials will be shipped.

- If the ACT-Approved Application is incomplete, or you do not submit this header, it will delay the application process.

Deadline
Refer to the ACT-Approved Accommodations deadline posted in the Checklist of Dates. It is recommended all applications be submitted well in advance of the deadline in order to receive a preliminary roster to verify timing codes for your students.
