Task 00:

- Present the primary task to the student. Say: **These pictures show the same apple tree in each of three seasons. Which picture shows the apple tree during the coldest season?**
  - Point to each option and say: **Winter, Spring, Fall**

  The student receives a score of 4 for a correct response.
  If the student does not respond, repeat the primary task *only once* exactly as it appears.
  If the student responds correctly after the second presentation of the primary task, the student receives a score of 4.
  If the student chooses an incorrect answer or does not respond, move to Level 3.

- Turn the page to provide the general prompt.

- Re-present the primary task and answer options.

  The student receives a score of 3 for a correct response.
  If the student does not respond or responds incorrectly, move to Level 2.

- Indicate the correct answer and re-present the primary task and answer options.

  The student receives a score of 2 for a correct response.
  If the student does not respond or responds incorrectly, move to Level 1.

  If the student does not respond or responds incorrectly at Level 2, the student receives a score of 1.
