- Present the primary task to the student. Say: **Where did Jamal and Marina go on Saturday?**
- Point to each option and say: **To a movie, To their schools, To a basketball game**

The student receives a score of 4 for a correct response.
If the student does not respond, repeat the primary task *only once* exactly as it appears.
If the student responds correctly after the second presentation of the primary task, the student receives a score of 4.
If the student chooses an incorrect answer or does not respond, move to Level 3.

- Turn the page to provide the general prompt.
- Re-present the primary task and answer options.

The student receives a score of 3 for a correct response.
If the student does not respond or responds incorrectly, move to Level 2.

- Indicate the correct answer and re-present the primary task and answer options.

The student receives a score of 2 for a correct response.
If the student does not respond or responds incorrectly, move to Level 1.

Correct answer: **To a movie**
On Friday, Jamal and Marina both went to school. Later, they went to watch a basketball game. On Saturday, Jamal and Marina went to a movie.
Here is an example. At school, Bill and Ted had a job. They made sure the playground was picked up. They cleaned the playground every day before they went home. Bill and Ted’s job was cleaning up the playground.

Turn back to the primary task page and re-present the primary task and answer options.
