

Dear Colleagues in Education:

Thank you to those districts that have already submitted the Immigrant Education Program Data Report.

If your district has not yet submitted the Immigrant Education Program (IEP) Data Report, complete it by November 30, 2004. A paper copy of the report was mailed to your superintendent in September.

You can also access an electronic copy of the report at <http://www.isbe.net/bilingual/htmls/immigrant.htm> or by clicking on the address below.

If you access the electronic version, please save the file on your hard drive prior to completing it. Then print it and mail it to the address shown on the form.
