The meeting was called to order at 1:00 p.m. by the Chairman, Mr. Gidwitz, who asked Alison Harbour, the staff secretary to the Board, to call the roll. Ms. Harbour called the roll of members. A quorum was present. (*Mr. Serritella and Dr. Steiner were connected to the meeting by phone on July 10, and Dr. Steiner was connected to the meeting by phone on July 18.)

The Chairman indicated that there was one agenda item to address at this special Board meeting – the PSAE cut scores.

Superintendent McGee reported that all 11th graders in Illinois took the first-ever Prairie State Achievement Examination (PSAE) in April, and the preliminary results indicate more than half of them meet or exceed state learning standards in the five areas tested. He also explained that the process used to set the proposed cut scores is the same process used by the National Assessment of Educational Progress (NAEP). He explained that the process involved twelve hours of training for each panelist and took three days of work.

The Superintendent commented that the cut scores were recommended by expert panels that were composed primarily of high school teachers, and included representatives from higher education and business (see Addendum III). He said to validate the cut score process, ACT took a representative statewide sample of 10,500 students to see how many would meet or exceed standards (see Addendum IV). He reported that based on the representative sample and the proposed cut scores, we get a preliminary look at what the final PSAE statewide results will look like.

Superintendent McGee noted that the Board will be setting final cut scores for the PSAE in about ten days. He commented that school and student reports will be sent to school districts sometime during the last week of August. He reported that the final statewide results will be announced in early to mid-September.
Discussion followed for clarification purposes, and staff member Carmen Chapman Pfeiffer and ACT senior consultant Larry Erenberger assisted in responding to Board members’ questions.

An audio tape of the meeting is available through the State Board office in Springfield (217/782-9560).
