SUBPART A: SCHOOL REIMBURSEMENT

Section 120.10 Definitions

"Buildings" - A district leased, leased/purchased or owned structure or portion of a structure that houses whose primary purpose is to house pupil transportation vehicles and/or equipment used for servicing the district's pupil transportation vehicles, such as a school bus storage building or pupil transportation maintenance garage.

"Chief mechanic" - The person who directly supervises the school district's mechanics and maintenance personnel for pupil transportation vehicles and who also performs the duties of school bus mechanic when necessary.

"Contract" - A written agreement between two parties, for a specific period of time and amount for compensation, that is enforceable by law.

"Contractual pupil transportation service" - Pupil transportation services provided for a set fee under a contract with an independent carrier.

"District owned and operated pupil transportation service" - Pupil transportation service provided by a
school district that owns and operates the approved safety inspected vehicle(s), exercises managerial control over facilities and personnel used in the pupil transportation service, and also employs and supervises the school bus driver(s).

"Equipment" - Items, other than vehicles, costing $500 or more and having a useful life of more than one year.

"Independent Carrier" - An individual (other than a student), partnership, corporation, firm, organization, association or other legal entity not subject to control by a school district, which enters into a contract with a school district to provide pupil transportation services. An entity does not qualify as an independent carrier if its contract with the district requires that it do one or more of the following:

- employ existing school district drivers, mechanics, and administrative and clerical personnel;

- pay salaries as stipulated by the school district;

- employ or discharge employees solely at the discretion of the school district;

- employ specific types and numbers of administrative personnel.

"Lease" - A written contract between two parties whereby the lessee agrees to pay the lessor a specified sum of money for the use of the lessor's transportation equipment, building, land and/or vehicles for a specific period of time with no option to purchase.

"Lease/purchase agreement" - A written contract between two parties whereby the lessee agrees to pay the lessor a specified sum of money for the use of the lessor's transportation equipment, building, land and/or vehicles for a specific period of time, and the contract contains a clause permitting the lessee the
option to purchase the equipment and/or vehicles at a specified price within a specified period of time.

"Local Education Agency" ("LEA") – A public educational agency at the local level that operates schools or contracts for educational services. This includes school districts, school districts providing services under a joint agreement pursuant to Section 10-22.31a of the School Code [105 ILCS 5/10-22.31a], educational service regions pursuant to Section 3A-1 of the School Code [105 ILCS 5/3A-1], intermediate service centers pursuant to Section 2-3.62 of the School Code [105 ILCS 5/2-3.62], and governing boards formed pursuant to Section 10-22.20a, 10-22.31, or 3-15.14 of the School Code [105 ILCS 5/10-22.20a, 10-22.31, or 3-15.14].

"Materials, parts, and supplies" - Items costing less than $500 or having a useful life of one year or less.

"Principal cost or capital cost" -

For purchased vehicles, equipment, land and/or buildings the principal cost is the cash cost (list price less any discount, revenue from sale of district-owned item, and/or trade-in allowance) plus the prior year's undepreciated balance of the traded/sold district-owned vehicle, equipment, land or building, excluding all financing charges whether explicit or implicit, minus any insurance proceeds.

For leased or leased/purchased vehicles, equipment, land and/or buildings the principal cost is the lesser of the fair market value of the vehicle, equipment, land and/or building at the time of acquisition or the lease payment minus finance charges.

"Prorated cost" - A cost incurred for multiple functions. In accounting for such cost, the total cost shall be prorated on a verifiable required basis among the appropriate account function codes.

"School bus driver" - A person who possesses a valid school bus driver's permit, and drives a pupil transportation vehicle, including Division I vehicles identified in the Illinois Vehicle Code such as taxis, limousines, cars, and minivans, to transport pupils.

"School bus maintenance personnel" - Individuals whose duties are to maintain the district owned or operated pupil transportation vehicles.

"School day" - THAT PERIOD OF TIME WHICH THE PUPIL IS REQUIRED TO BE IN ATTENDANCE AT SCHOOL FOR INSTRUCTIONAL PURPOSES (Section 29-5 of the School Code (Ill. Rev. Stat. 1989, ch. 122, par. 29-5) [105 ILCS 5/29-5]).

"Site improvement" - Any addition or improvement to a site leased, leased/purchased, or owned that is directly related to the district pupil transportation services, including but not limited to, underground fuel storage tanks and communication towers.

"Transportation Fund" - An accounting entity as described in Section 17-8 of the School Code [105 ILCS 5/17-8], to account for revenue and expenditures related to pupil transportation services.

"Transportation related building and building maintenance costs" - The portion of depreciation of buildings and site improvements and costs of operation and maintenance of buildings and site improvements directly related to a school district's pupil transportation program. These costs are chargeable to and paid from the Educational Fund or Operations and Maintenance Fund as prescribed in Section 17-7 of the School Code [105 ILCS 5/17-7].

"Transportation Supervisory Personnel" - Personnel employed by the LEA responsible for all the following
functions with respect to either the entire territory of the LEA or a portion of the LEA:

Overall planning of the transportation program, including the development and presentation of recommendations to the board of education concerning contracting, leasing, and/or purchasing related to transportation services, and the preparation and establishment of procedures and policies related to crisis intervention, discipline, and general operation of the transportation service.

Total responsibility for the development of all transportation routes.

Monitoring and modification of the established transportation services, routes, and procedures to ensure an efficient, safe operational program. (This should not be confused with bus driver education.)

Ensuring that sufficient, properly trained maintenance staff and bus drivers meeting the requirements of Section 6-106.1 of the Illinois Vehicle Code [625 ILCS 5/6-106.1] are available to provide the established transportation services.

Provision of safety training to drivers, staff, and students for crisis situations (e.g., accidents, vehicle breakdowns).

"Transportation supervisory salary costs" - That portion of the salary and related allowable employee benefits of school district employee(s) who are documented as supervising a school district's pupil transportation programs (Regular, Vocational, Special Education and Nonreimbursable). For districts that do not employ a full or part-time transportation supervisor, a superintendent's/director of special education's salary and related employee benefits shall be prorated as detailed in Section 120.80(b)(3) of this Part. These salary and related employee benefit costs shall be paid from the Transportation Fund.
"Useful life" - The period of time during which an item is expected to be suitable for pupil transportation services.

AT THE ATTENDANCE CENTER TO WHICH THEY ARE ASSIGNED (Section 29-3 of the School Code [105 ILCS 5/29-3]).

B) IF A PUPIL IS AT A LOCATION WITHIN THE SCHOOL DISTRICT OTHER THAN HIS/HER RESIDENCE FOR CHILD CARE PURPOSES AT THE TIME FOR TRANSPORTATION TO AND/OR FROM SCHOOL, THAT LOCATION MAY BE CONSIDERED FOR PURPOSES OF DETERMINING THE 1 1/2 MILES FROM THE SCHOOL ATTENDED (Section 29-5 of the School Code).

C) SUCH SCHOOL BOARD MAY COMPLY WITH THE PROVISIONS OF THIS SECTION BY PROVIDING FREE TRANSPORTATION FOR PUPILS TO AND FROM AN ASSIGNED SCHOOL AND A PICK-UP POINT LOCATED NOT MORE THAN ONE AND ONE-HALF MILES FROM THE HOME OF EACH PUPIL ASSIGNED TO SUCH POINT (Section 29-3 of the School Code).

2) Transportation services provided for pupils residing within a distance of one and one-half miles from the attendance center to which they are assigned from pickup points at the beginning of the school day and back again at the close of the school day, effective on the date that the Illinois Department of Transportation grants written approval pursuant to 92 Ill. Adm. Code 556 (Rules on Transporting Pupils Where Walking Constitutes a Serious Safety Hazard) that a serious safety hazard exists due to vehicular traffic, for specific areas and specific ages.

3) Transportation services provided for nonpublic school pupils when pupil transportation services for the nonpublic school pupils are provided on the same basis as the transportation services for public school pupils as provided in Section 29-4 of the School Code.

4) Transportation services provided to a pupil who is required to be transported but is also required for disciplinary reasons to serve a detention period either before or after the regular school day.
5) Transportation which is provided prior to or following voluntary, extracurricular and/or cocurricular activities, including sport practices, club meetings, drama rehearsals, or choral and band practices where such activities are scheduled before or after the school day, qualifies as transportation provided at the beginning or end of the school day and is therefore subject to reimbursement with respect to students who are required to be transported.

6) Transportation services provided for pupils between attendance centers during the school day. This includes transportation of vocational pupils between attendance centers or a building or other trades skill development site of less than one and one-half miles.

b) Vocational pupil transportation services provided during the school day for vocational pupils transported one and one-half miles or more one way from their assigned attendance center to a vocational program located at:

1) An area vocational center;

2) Another school district; or

3) A building or other trades skill development site.

c) Special education pupil transportation services, including field trips, provided for special education pupils in accordance with Sections 14-7.02 and 14-13.01(b) of the School Code [105 ILCS 5/14-7.02 and 14-13.01(b)] and with 23 Ill. Adm. Code 226 (Special Education). This includes field trips (community based instruction) when approved by the district's state approved director of special education as defined in 23 Ill. Adm. Code 226.

d) Transportation provided to any student in connection with a field trip:
that occurs during a day of student attendance included on the official school calendar of the school district;

2) whose hours are part of the claimable clock hours on the General State Aid Claim (i.e., the destination of the trip is considered to be the assigned attendance center for all students enrolled in the class);

3) that is provided free of charge to the pupil;

4) that is part of the school’s curriculum for which pupils earn credit for graduation; and

5) that is not listed in Section 120.40(a)(1) or (2) of this Part.

(Source: Amended at 25 Ill. Reg. _____, effective ____________)
are funded by other state or federal programs or for which parents/guardians pay a portion or all of the costs;

d) Transportation services provided for regular public and nonpublic school pupils residing less than one and one-half miles from their assigned attendance center for which there is no safety hazard approval by the Department of Transportation (costs of these services shall be determined using the formula detailed in Section 120.100(a)(1) of this Part); and

e) Special transportation not approved in accordance with Sections 14-7.02 and 14-13.01(b) of the School Code and 23 Ill. Adm. Code 226 (Special Education).

b) Pupil transportation costs not delineated in Section 120.50, 120.60, or 120.80 of this Part are not eligible for reimbursement. Examples of these costs include, but are not limited to, the following:

1) payment of aides, attendants, or monitors on transportation routes, other than personnel stipulated in the Individualized Educational Programs of students with disabilities;

2) premiums for the Illinois Municipal Retirement Fund (IMRF)(except for transportation supervisory staff), Social Security, unemployment insurance, or Worker’s Compensation;

3) consultants, except pre-approved training consultants;

4) costs associated with obtaining a commercial driver’s license;

5) snow removal equipment or service.

Section 120.60 Reimbursable Annual Depreciation Allowances

a) Annual depreciation allowances shall be based on the principal cost of pupil transportation vehicles or equipment for items costing $500 $2,500 or more and with a useful life in excess of one year.

1) When a vehicle and/or equipment costing $500 $2,500 or more is purchased, leased for 30 days or more, or leased/purchased any time during the fiscal year, a full year's depreciation is claimable for that year. Depreciation shall be prorated based upon the percentage of the fiscal year for which item was held, as set forth in subsection (a)(2) of this Section.

2) When a vehicle and/or equipment is sold, destroyed, or traded in any time during the fiscal year, no depreciation may be claimed for that year.
The depreciation allowance shall be calculated by dividing the number of months the item to be depreciated is retained by the LEA by 12 and multiplying the allowable depreciation rate by the resulting percentage. This prorated depreciation rate shall then be applied to the principal cost.

3) Vehicles and/or equipment leased for 30 days or more, leased/purchased or purchased, and sold or destroyed within the same fiscal year must use a prorated principal cost based on the following formula:

\[(\text{Principal costs divided by 12 months}) \times \text{number of months in possession of the district} = \text{prorated principal cost}.\]

b) The depreciation of pupil transportation vehicles that are purchased, leased/purchased, or leased for 30 days or more by the district shall be subject to a 20 percent annual depreciation allowance based on an annual rate of 20 percent of the principal cost.

c) The depreciation of pupil transportation equipment not installed in the vehicle that is purchased or leased/purchased or leased for more than 30 days by the district shall be subject to a based on an annual rate of ten percent annual depreciation allowance based on of the principal cost.

d) The depreciation of buildings (including new additions to existing buildings) that are purchased, leased/purchased, or leased for more than 30 days, is shall be based on an annual depreciation rate of 2 two percent of the principal cost. Building improvements are depreciated at a rate of 5 percent of the principal cost.

e) A repair or modification to a pupil transportation vehicle costing $500 $2,500 or more per item and extending the useful life of the vehicle by more than one year must be capitalized and shall be subject to a depreciated at an annual rate of 33 1/3 percent annual depreciation allowance. The cost of a repair or modification includes parts, supplies, and labor.
associated with the completion of the repair or modification.

f) Depreciation The depreciation of site improvement(s) costing $500 $2,500 or more and having a useful life of more than one year, made to the building(s) or land used for pupil transportation purposes, shall be based on an annual rate of five percent of the principal cost, including installation fees.

g) Depreciation The depreciation of two-way transportation vehicle communication systems costing $500 $2,500 or more per office or bus shall be based on an annual rate of 10 percent of the principal cost.

h) Depreciation The depreciation of pupil monitoring equipment installed on school buses, including video cameras costing $500 $2,500 or more per bus, shall be based on an annual rate of 33 1/3 percent of the principal cost.

i) Depreciation The depreciation of a service vehicle (such as a tow truck) costing $500 $2,500 or more, that is used to service pupil transportation vehicles shall be based on an annual rate of 10 percent of the principal cost.

(Source: Amended at 25 Ill. Reg. _____, effective _____________)

Section 120.70 Deductions from Direct Operating Costs

The following items shall be deducted from direct operating costs.

a) Payments from other school districts for pupil transportation services.

b) Revenue received from the rental of transportation facilities, vehicles or equipment, or transportation services.

c) Proceeds from an independent contractor when the pupil transportation services are provided by that contractor
and the district leases or sells vehicles, supplies, equipment, or facilities to the contractor.

d) Proceeds from the tort liability tax levy used for reimbursable transportation liability insurance expenditures.

e) Proceeds in excess of the undepreciated balance from the sale of pupil transportation vehicles or equipment, if the vehicle or equipment is not replaced during the same fiscal year.

f) Any other revenue received as offsetting amounts for direct operating cost expenditures such as, but not limited to, reimbursement from other federal and/or state programs or for the use of transportation vehicles, in whole or in part, to benefit other entities.

(Source: Amended at 25 Ill. Reg. ____., effective ____________)

Section 120.80 Reimbursable Indirect Cost for Pupil Transportation Services

a) A school district that owns and operates its own transportation services shall receive reimbursement for indirect costs which exceed equivalent to five percent of the total direct cost for pupil transportation services. Total allowable direct costs shall be computed as reimbursable direct costs, plus depreciation, less deductions and payments for contractual pupil transportation services as stipulated in Section 120.70 of this Part and payments to other LEAs or independent carriers.

b) Reimbursable indirect costs shall include the following:

1) Administrative overhead computed as the product of the federal restricted indirect cost rate (calculated in accordance with Federal Management Circular 74-4 (1974), codified at 5 C.F.R. 1310) applicable for that district during that fiscal year times the total allowable direct costs for
pupil transportation services. Joint-agreements/cooperatives which have an administrative district shall use their administrative district-approved indirect cost rate. Joint-agreements/cooperatives which do not have an administrative district shall use the computed state-average indirect cost rate.

2) Administrative costs directly related to pupil transportation services properly chargeable to the Educational Fund, function 2551 as defined in 23 Ill. Adm. Code 110 (Program Accounting Manual) in account:

A) Salaries—object code 1;
B) Employee benefits—object code 2;
C) Purchased services—object code 3;
D) Supplies—object code 4; and
E) Other objects—object code 6.

3) Expenses charged to the Educational Fund (Function 2320 for district superintendent, or Function 2330 for joint agreement director) when a school or joint agreement does not employ a full or part-time transportation director or supervisor as set-forth in Section 120.90(c) per account:

A) Salaries—object code 1;
B) Employee benefits—object code 2;
C) Purchased services—object code 3;
D) Supplies—object code 4; and
E) Other objects—object code 6.

4) Any costs claimed as Reimbursable Direct Operating Costs under Section 120.50 or as Reimbursable Annual Depreciation Allowances under Section—
120.60 of this Part cannot also be claimed as Reimbursable Indirect Costs.

(Source: Amended at 25 Ill. Reg. _____, effective ____________)

Section 120.90 Cost Proration Related to Pupil Transportation

a) When costs or depreciation allowances are to be prorated among pupil transportation services and other nontransportation related activities, the categories used shall constitute:

1) Regular pupil transportation services;
2) Vocational pupil transportation services;
3) Special education pupil transportation services;
4) Nonreimbursable pupil transportation services; and
5) Nontransportation related activities.

b) If an employee performs multiple job duties (e.g., district/cooperatives employing a part-time transportation supervisor/director) and at least one job duty is reimbursable under pupil transportation, the salary and district paid employee benefits for such employee shall be prorated to each type of job duty based on the ratio of the number of hours worked in each job to the total hours worked.

c) The formula for computing the district superintendent and/or joint agreement director expenses as permitted in Section 120.50(a)(2)(E) or 120.50(a)(3) or 120.80(b)(3) of this Part is listed below.

1) The district superintendent allowable expenditures shall be prorated based on the ratio of the total transportation fund expenditures to the district's total expenditures of all funds. The district's expenditures are to be calculated in the Illinois Local Education Agency Annual Financial Report pursuant to 23 Ill. Adm. Code 110 (Program Accounting Manual).
2) The joint agreement/cooperative director allowable expenditures shall be prorated based on the ratio of the transportation fund total expenditures/disbursements and transfers to the joint agreement/cooperative for transportation to the total expenditures/disbursements and transfers of the joint agreement. The joint agreement/cooperative total expenditures/disbursements and transfers are to be calculated in the Joint Agreement Annual Financial Report.

d) District owned/operated transportation systems must prorate all expenses based on the ratios of miles traveled in each category to the total miles traveled in all categories operated by the district. This method of proration includes Salaries and Employee Benefits, unless the district can document the number of hours worked per category to the total number of hours worked per person.

e) Payments for all contractual transportation services must be prorated based on miles per contractor across contract categories, with the exception of the following:

1) Contracts with a company which provides only one type of transportation service;

2) Payments to parents/guardians who provide transportation;

3) Payments to a contractor by a district for costs that are part of a contractual agreement between a cooperative or joint agreement and the contractor;

4) Transportation expenses related to services provided by taxi/limousine companies;

5) Expenses related to services provided by mass transit systems.
f) If a pupil transportation vehicle is used for more than one category of transportation service, the depreciation allowance shall be prorated based on the ratio of the number of miles traveled in each category of service to the total miles traveled in all categories.

g) Indirect cost shall be prorated based on the ratio of the number of miles traveled in each category to the total miles traveled in all categories.

h) Expenditures charged to the Operations and Maintenance Fund and/or the Education Fund that are directly related to the Pupil Transportation Program Services may be claimed as direct cost reimbursement from the Transportation Program. When the district or joint agreement cannot substantiate the portion of the cost applicable to the pupil transportation program, the expenditures shall be allocated according to the square footage of the bus garage divided by the total square footage of all the district owned buildings and that result multiplied by the total expenditures of each allowable cost. The transportation portion of each allowable cost that is under $500 or which has a useful life less than one year is claimed under Section 120.50(a)(13).

(Source: Amended at 25 Ill. Reg. _____, effective ____________)

Section 120.100 Reimbursement Formulas

a) Regular pupil transportation services shall be reimbursed by the formula defined in Section 29-5 of The School Code (Ill. Rev. Stat. 1985, ch. 122, par. 29-5) as calculated below.

1) Total the number of student attendance days transportation was in operation as approved on the official school calendar.

2) Total the number of days of pupil enrollment in the regular pupil transportation program according to the area (i.e., as indicated in subsection...
STATE BOARD OF EDUCATION

NOTICE OF PROPOSED AMENDMENTS

(a)(2)(A) (A), (B), or (C) below of this Section) in which the pupil resided.

A) 1 1/2 miles or more from home to their assigned attendance center equals eligible pupils;

B) Under 1 1/2 miles from home to their assigned attendance center equals noneligible pupils;

C) Under 1 1/2 miles for pupils who lived in the area that was approved as a vehicular hazard for walking by the Illinois Department of Transportation equals eligible pupils.

3) Annual average number of regular pupils transported is computed as follows:
