*All meetings are accessible to persons with disabilities.
**Action Items**

**Meeting will begin at the conclusion of the previous session.**
May 12-13, 2003
State Board Meeting

ILLINOIS STATE BOARD OF EDUCATION
MINUTES OF THE STATE BOARD OF EDUCATION MEETING
State Board Room
100 North First Street
Springfield, IL 62777

May 12-13, 2003

MEMBERS PRESENT:
Marjorie B. Branch    Dean Clark    Ron Gidwitz
Joyce Karon          Gregory Kazarian
Richard Sandsmark    Janet Steiner   Beverly Turkal

State Superintendent: Robert E. Schiller

MEMBERS ABSENT:
Judy Gold

The meeting convened at the Renaissance Hotel where Dr. Janet Steiner, Acting Chair, called the meeting to order at 6:30 p.m. Secretary Richard Sandsmark called roll. A quorum was present.

Present for the start of the meeting:
Marjorie Branch    Dean Clark    Joyce Karon
Richard Sandsmark  Janet Steiner  Beverly Turkal

Greg Kazarian joined late

Chair, Dr. Steiner asked that a motion be given to go into Closed Session.

Dean Clark said I move that the State Board of Education go into closed session under the exceptions set forth in the Open Meetings Act of the State of Illinois as follows:

- Section 2 (c) (1) for the purpose of discussing information regarding appointment, employment, compensation, discipline, performance, or dismissal of an employee.
- Section 2 (c) (11) for the purpose of discussing litigation.

The Board is authorized to invite anyone into these meetings as needed.

Marjorie Branch seconded the motion.
Dr. Steiner asked that a motion be given to adjourn the closed session and return to open session.

Beverly Turkal made the motion.

Dick Sandsmark called the roll and the motion passed.

The meeting was called to order at 10:10 a.m. by the Acting Chair, Dr. Janet Steiner who asked Kay Evans, assistant to the Executive for Board Services, to call the roll. Ms. Evans called the roll of members. A quorum was present.

Ronald Gidwitz was present via teleconferencing.

Acting Chair Steiner indicated that the Board meeting was going to be on the internet for viewing.

Dr. Steiner asked that the motion be made to accept the April 30, 2003 Board meeting minutes.

Dean Clark made the motion that the State Board of Education approve the minutes of the May 13, 2003 Board meeting as published.

Dick Sandsmark seconded the motion.

Dr. Steiner called for a roll call vote on the motion. The motion passed with the following votes.

Acting Chair Steiner called for Public Participation.

Ms. Gayla Boomer, newly elected President, IL PTA. She handed out the Governor’s proclamation on parent involvement standards, (See attachment #1) and the standards assembled by the National PTA, along with a video, “Safe Communities Equal Safe Children.”

Ms. Laura Arterburn, Illinois Federation of Teachers (IFT) gave a definition of highly qualified teachers. She asked for reconsideration of teachers with prior endorsement in an area to be considered highly
qualified if they have up to 5 years of classroom experience, and the earning requirement of additional points and credits for veteran teachers. She spoke on the additional testing of special qualified education teachers in all subject areas, which they believe acerbates the shortage of qualified special education teachers, and asked how the Type 29, which are usually in the very poor districts, requirements are going to be met? She stated the members of the committee of practitioners were disappointed they had not received this in time to make more serious comments.

**LBS I Cert Test**

Dr. Steiner called for the agenda item: Passing Score for Learning Behavior Specialist I (LBS1) Certification Test.

Dr. Schiller gave a background of the LBS 1 Certification Test. He said the test contained 100 scoreable multiple choice items, and that the State Board needed to examine and approve the cutoff recommendation of the Panel for the minimum number of answers being 64 of the 100 test items.

**Motion**

Dr. Steiner asked for a motion which Greg Kazarian gave stating, I move that the State Board of Education set the passing score for the Learning Behavior Special I at 64. Further, I move that the passing score and pass rates be revisited after one year of administration and if warranted, adjustments be recommended to the Illinois State Board of Education for approval.

Dean Clark seconded the motion.

**Vote on Motion**

Dr. Steiner called for a vote on the motion. The motion passed with the following votes.

- Marjorie Branch – yes
- Dean Clark – yes
- Joyce Karon – yes
- Greg Kazarian – yes
- Dick Sandmark – yes
- Ron Gidwitz – yes
- Janet Steiner – yes
- Beverly Turkal – yes

**Supplemental Ed Service Providers**

Dr. Steiner called for agenda item: Supplemental Education Service Providers (SES).

Superintendent Schiller said this item was to inform the State Board of the review of applications results received from potential SES providers, and to approve the following providers for inclusion on the Approved List of SES providers required by the No Child Left Behind Act.

- Computer Services and Consulting, Inc.
- EdSolutions, Inc.
- HOSTS Learning
May 12-13, 2003  
State Board Meeting

- Kaplan K12 Learning Services
- KidBiz3000
- Lindamood-Bell Learning Processes
- Sylvan Learning Systems, Inc.
- Whirlwind

Motion  
Dr. Steiner asked for a motion from the Education Policy and Planning Committee.

Joyce Karon moved that the State Board of Education approve the providers in Attachment #2 for inclusion on the Approved List of Supplemental Education Service providers.

Marjorie Branch seconded the motion.

Discussion followed. Greg Kazarian, Janet Steiner, and Bev Turkal asked the following questions: how have they arrived at this list; what qualifications were required to be on the list; considering the cutbacks at ISBE, how would we be monitoring these providers; would transportation be provided the students to attend these classes; and what assured the financial viability of these providers. Don Full, Manager, Accountability, explained the application criteria that had been approved by the Board, and said that we monitor providers against standards that are required by law and that these standards have been drafted and will soon be provided to the Board; that transportation is not required in supplemental educational services; and that the providers had to supply an audit (in the future they are thinking this would be the only accepted financial report) of their financial statements. Mr. Kazarian pointed out how this may exclude small businesses because they only have financial reports and not audits.

In response to monitoring of providers, Superintendent Schiller said that since this was a federally required program we would be looking at using federal money to provide the monitoring requirement, and that he would be reporting back to the Board on revamping our agency based on our funding, funding sources, and priorities.

Vote on motion  
Dr. Steiner called for a vote on the motion. The motion passed with the following votes.

Marjorie Branch – yes   Dean Clark – yes   Joyce Karon – yes  
Greg Kazarian–yes      Dick Sandsmark-yes  Ron Gidwitz - yes  
Janet Steiner – yes     Beverly Turkal – yes

Visiting International  
Dr. Steiner called for agenda item: Visiting International Teacher Certificate.
Dr. Schiller summarized the visiting international teachers agenda topic. He stated that recently the USDE had raised the issue of whether certificates issued to teachers educated in other countries, particularly visiting international teachers, could be considered "highly qualified" under the provisions of No Child Left Behind. He said that after talking with representatives of the Chicago school district and representatives of foreign consulates, and after bringing the topic before the State Teacher Certification Board, they are asking the Board to consider the development of a proposed new Visiting International Teacher Certificate and to determine if they wish to adopt this with the appropriate standards.

Dr. Steiner asked for a motion from a member of Education Policy Planning Committee.

Joyce Karon moved that the State Board of Education adopt the proposed Visiting International Teacher Certificate and the recommended standards. Further I move that an annual analysis of data and procedures related to the Visiting International Teachers Certification be conducted to determine its effectiveness in meeting district needs and state standards for assuring high quality standards.

Dick Sandsmark seconded the motion.

Discussion followed.

Dr. Steiner called for a vote on the motion. The motion passed with the following votes.

Judy Gold had entered the meeting at some point between the SES agenda item and this item, but was leaving now to join the meeting from her car.

Dr. Steiner called for agenda item: Illinois Criteria for Meeting the NCLB Requirements for Highly Qualified Teachers.

Superintendent Schiller gave an overview of the action and criteria needed for being “highly qualified” with relation to NCLB and the State certification system; the guidance issued by the federal government that is a mismatch with the state draft; and discussion with the State Teacher Certification Board and others. He asked that the Board defer any further discussion with regard to
special education until we get further guidance from the federal government.

Lee Patton, Interim Director, Certification and Professional Preparation, discussed this in more depth at the Superintendent’s request. After an extended explanation Marjorie Branch asked that when she referred to middle school she did not mean middle grades. She said as an example, in Chicago they have very few middle schools, and did she mean every 4th through 8th grade? Ms. Patton said they were speaking of middle grades defined as grades 5th through 8th. She said she would have the term middle schools removed and clarified with middle grades.

Motion for further discussion

Greg Kazarian indicated that this was a large amount of information to absorb and he would like to make a motion to refer this issue to our Policy and Planning Committee to discuss further and bring back to the Board in June.

Joyce Karon seconded the motion but asked if there was a time constraint.

Lee Patton said they were under a time constraint because they had to provide baseline data on this year’s percentage of teachers who are highly qualified to the federal government in early September, 2003. She said their intent was to send a survey to school districts to obtain additional information in order to make this deadline. She asked if they could go ahead and send the survey.

Superintendent Schiller said the survey was important to gather base data, but the reason it was presented to the Board this month was because he wanted to have it completed by June, 2003. He understands their comfort level on this topic, but urged that the survey go forward to collect the base data. He pointed out that we still may not have the information needed for special education next month.

Vote on motion

Dr. Steiner called for a vote on the motion. The motion passed with the following votes.

Marjorie Branch – yes    Dean Clark – yes    Joyce Karon – yes
Greg Kazarian–yes    Dick Sandsmark–yes Ron Gidwitz - yes
Janet Steiner – yes    Beverly Turkal – yes

Members Leave

Ron Gidwitz left the meeting for a business meeting, and Marjorie Branch left the meeting because of illness. Judy Gold did not return. There was still a quorum.
Dr. Steiner called for agenda item: System of Support

Superintendent Schiller asked Lynne Haeffele Curry and Chris Wolczak to elaborate and give an overview. The Superintendent said he had asked them to work with our partners to see what could be done to help school districts who are struggling. Ms. Haeffele gave a PowerPoint presentation showing what could be done with the right resources to help these school districts.

She stated that with the Board’s approval they are looking at a regionalized approach to decentralize system of support, moving it from the central control of the State Board to local control.

Dr. Curry said the Superintendent had given them approval to take a draft of this plan to the upcoming Chief State School Officers meeting.

Greg Kazarian made the motion that the State Board of Education approve the direction of the system of support as outlined in the plan moving to a systemic improvement approach.

Joyce Karon seconded the motion.

Judy Gold returned during this agenda item.

Dr. Steiner called for a vote on the motion. The motion passed with the following votes.

Dean Clark – yes  Joyce Karon – yes  Greg Kazarian – yes
Dick Sandsmark – yes  Bev Turkal – yes  Janet Steiner – yes

Dr. Steiner said there would be a change in the agenda so the employees of Deloitte Consulting and Network 21 could make their presentation before lunch.

Dr. Schiller introduced Bindu Hatchu from Network 21, Tom McGrath and Jonathan Copulsky from Deloitte Consulting, and said Tom Vogel of Deloitte Consulting could not be there. Mr. Copulsky gave a brief background of the study.

Tom McGrath elaborated on their key findings, and explained their biggest impact recommendations and implementation strategies, all of which indicated the essential use of data in decision making for effective school improvement efforts.

Bindu Hatchu gave further dialogue on the recommendations.
The group noted that the System of Support proposal discussed earlier was consistent with the study’s findings. They strongly recommended State Board action to support that initiative and others that would extend data-driven decision making throughout Illinois.

Superintendent Schiller said the missing piece right now is the professional training and development, and that we must look at every partner to help principals, teachers, and practitioners use the data to drive instruction.

Adjourned for lunch at 12:45 p.m.

Dr. Steiner reconvened the meeting at 1:20 p.m.

Dr. Steiner asked for agenda item: Rules for Adoption: Alternative Learning Opportunities Program (Part 240)

Superintendent Schiller said these are a revision of rules that were adopted July, 2002. At that time the Rules did not provide for Regional Offices of Education to submit claims for General State Aid (GSA) while operating the Alternative Learning Programs (ALOP) on behalf of school districts. This Rule change was first an amendment in February, 2003, publish in the Register, and now the Board is being asked for adoption so they will be in effect when the GSA claims are due in June, 2003.

Dick Sandsmark moved that the State Board of Education hereby adopt the proposal making for alternative learning opportunities Program (Part 240). I further move that the State Board authorize the State Superintendent of Education to make such technical or non-substantive changes as the State Superintendent may deem necessary in response to suggestions or objections of the Joint Committee on Administrative Rules.

Dean Clark seconded the motion.

Dr. Steiner called for a vote on the motion. The motion passed with the following votes.

Dean Clark – yes Joyce Karon – yes Greg Kazarian–yes Dick Sandsmark-yes Janet Steiner – yes Beverly Turkal – yes

Dr. Steiner called for agenda item: Qualified Zone Academy Bond (QZAB) Credit Allocation for FY 02 and FY 03.

Superintendent Schiller gave a background of the item saying that Granite City Community Unit School District 9 applied for bond
May 12-13, 2003
State Board Meeting

authority for FY02 and FY03 but was not approved the total amount during the January, 2003 Board meeting. Champaign Community Unit School District 4 has relinquished their portion of their allocation which frees up money that can now be used by Granite City to increase their allocation.

**Motion**

Dick Sandsmark made the motion that the State Board of Education approve the Qualified Zone Academy Bond (QZAB) Credit Allocation for FY02 and FY03 as attached. (See attachment 2)

Greg Kazarian seconded the motion.

**Vote on motion**

Dr. Steiner called for a vote on the motion. The motion passed with the following votes.

**NCLB Accountability Plan**

Dr. Steiner called for agenda item: Update of Status of NCLB Accountability Plan

Superintendent Schiller advised that the accountability plan, submitted by the State Board to the U.S. Department of Education for compliance with NCLB, included goals for Adequate Yearly progress that reflected unequal growth increments between now and 2016. This proposal, the Illini Plan, was developed by and in consultation with the Assessment and Accountability Task Force. The USDE expressed some concerns about this approach and asked the State Board to reconsider.

A discussion ensued and the Superintendent said the Task Force would be meeting the first of June.

**Motion**

Greg Kazarian gave the motion, I move that the Illini Plan for annual measurable objectives be approved, be ratified as has been presented and the statement be reaffirmed to the U.S. Department of Education.

Dean Clark seconded the motion.

**Vote on Motion**

Dr. Steiner asked for a roll call vote on the motion. The motion passed with the following votes.

Dean Clark - yes  Joyce Karon - yes  Greg Kazarian – yes  Janet Steiner – yes  Dick Sandsmark – yes  Beverly Turkal – yes
Dr. Steiner called for agenda item: Standard Monthly Reports – Finance, Audit, Agency Operations, Budget Status Reports.

Dick Sandsmark moved that the State Board of Education accept the financial, agency operations, and budget status reports presented during the April 2003 meeting.

Dean Clark seconded the motion.

Dr. Steiner asked for a roll call vote on the motion. The motion passed with the following votes.

Dean Clark - yes       Joyce Karon - yes          Greg Kazarian – yes
Janet Steiner – yes     Dick Sandsmark – yes     Beverly Turkal – yes

Dr. Steiner called for agenda item: Review of FY04 Budget

Dick Sandsmark gave the motion – I move that the State Board of Education accept the Report regarding the 2002 Annual Report, the Fiscal Year 2004 Budget, and the Governor’s FY-04 Budget allocation.

Greg Kazarian seconded the motion.

Discussion followed with emphasis that the motion did not mean there was agreement with the contents. Board members expressed concern about the dire implications of the state budget on the ability of local districts and the state education agency to fulfill their responsibilities to students and the public. Greg Kazarian stated that there are programs that the budget does not address and expressed his concern. Joyce Karon complimented the staff on keeping the Board abreast of happenings, and their hard work.

Dr. Steiner asked for a roll call vote on the motion. The motion passed with the following votes.

Dean Clark - yes       Joyce Karon - yes          Greg Kazarian – yes
Janet Steiner – yes     Dick Sandsmark – yes     Beverly Turkal – yes

Dr. Steiner called for agenda item: Governmental Affairs Issues – State and Federal Legislative Updates.

Beverly Turkal, in Peter Leonis’ absence who was at the Capitol, deferred comments/updates to the Superintendent.

Superintendent Schiller gave the following updates:
HB2352 – Assessment Bill  The Bill went back to committee with two amendments: 1) a clause up front encouraging local districts to end their local formal assessment once the new assessments are in place in 2005-06, and 2) move the number of hours dedicated to ISAT testing from 40 to 38. These amendments should make it acceptable to move forward without opposition.

HB878 – Accountability  After meeting with constituent groups a few changes with regard to clarification were made, and should be heard this week.

Funds Consolidation - This proposed legislation was being read and examined by the legislators and Budget Office and should soon be advanced.

HB430 – DHS Count – This Bill has passed the House and was moving through the Senate, but was being detained because of funding questions.

Senate Bill 1 – Continuing Appropriation – The Superintendent was not sure where this Bill stood at that time.

Dr. Schiller stated we had submitted a bill on school finance authority revisions that were discussed at the last meeting, and it was now being reviewed also.

**Motion**

After a brief discussion, Greg Kazarian made the motion that the State Board of Education accept the State and Federal Legislative Update Reports.

Dick Sandsmark seconded the motion.

**Vote on Motion**

Dr. Steiner asked for a roll call vote on the motion. The motion passed with the following votes.

Dean Clark - yes    Joyce Karon - yes    Greg Kazarian – yes
Janet Steiner – yes Dick Sandsmark – yes Beverly Turkal – yes

**NASBE Contact Person**

Dr. Steiner informed the Board that Joyce Karon was appointed as the contact person and official delegate from the Illinois State Board of Education to the National Association of State Boards of Education (NASBE).

**Committee Report Out**

Joyce Karon, as Chair of the Operations Committee, affirmed the following: the next Board meeting will be held on Monday and Tuesday, June 16-17, 2003 in Springfield. This rescheduled date was in lieu of the traditional summer retreat. There would not be a meeting in July, 2003 unless it was needed. Future Board meeting
dates will follow the posted schedule beginning in August, 2003. Board members are invited to suggest locations (other than Springfield and Chicago) for FY04 Board meetings.

Dick Sandsmark, Chair, Finance and Audit Committee, said the next meeting would be held the morning before the June Board meeting.

It was decided Committee meetings would begin the morning of June 16 and work until the regularly scheduled Board meeting in the afternoon.

Adjournment Dr. Steiner adjourned the meeting with voice ayes.

An audio tape of the meeting is available through the State Board of Education office in Springfield, (217/782-9560.)

Respectfully submitted:
