F. Adjourn
Mr. Jesse Ruiz, Chairman, called the meeting to order at 9:35 a.m. Chairman Ruiz asked Ms. Jean Ladage, Assistant to the Board, to call the roll. A quorum was present. Dr. Randy Dunn, Interim State Superintendent of Education, was also in attendance.

The Chairman announced that in light of the fact that Illinois schoolchildren and teachers are asked to recite the Pledge of Allegiance everyday in the classroom, he felt it appropriate that the Board should be a model for that conduct. The Board members, Dr. Dunn, and everyone else who wished to join them faced the American flag and recited the Pledge of Allegiance.

Chairman Ruiz also announced that the Board meeting was being webcast live over the Internet and asked everyone who appreciates the use of this service, rather than a toll-free number, to please let the State Superintendent know by e-mailing him at statesup@isbe.net.

Members Present:
Mr. Jesse Ruiz, Chairman
Dr. Christopher Ward, Vice Chairman
Dr. Vinni Hall, Board Secretary
Dr. Andrea Brown
Dr. David Fields
Ms. Brenda Holmes
Ms. Joyce Karon
Mr. Edward Geppert, Jr.

Members Absent:

Also attending the State Board meeting from the Pekin district were Jan Matuska, Steve Huey and Amy Tabb.

Cynthia Woods, representing the Illinois Association of School Boards (IASB) spoke to the Board about her concern regarding the State Board’s budget process this year. She asked the Board members to think long and hard about the budget decisions that they will be making. Board members responded by telling her that they had held budget hearings, information from staff and had reached group consensus regarding budget priorities. Ms. Holmes asked what the executive board of IASB had taken a position on the State Board’s budget. Ms. Woods responded that she didn’t think there had ever been an issue with the State Board’s budget and assured her that the board had never taken a position on the budget, and they were usually very supportive of whatever dollars come down. Ms. Woods noted her main reason for speaking to the Board was the budget process.
assured her that this year’s budget process was different because the majority of the State Board had been appointed in September 2004, which produced extenuating circumstances regarding a budget process timeline.

**Rhonda Wanstreet, representing CTE programs in Williamson County**, spoke to the Board regarding the CTE budget. She thanked the Board members for making CTE a budget priority for FY06. She explained to the Board members how important and successful the CTE programs were in her area and also in Illinois.

### ANNOUNCEMENTS AND REPORTS:

#### Superintendent’s Announcements

Superintendent Dunn reported to the Board regarding his attendance at the Grow Your Own conference earlier in the day. He noted that there is a Grow Your Own Task Force in Illinois that is sponsored by various community activists’ organizations who work with neighborhoods to recruit the best and brightest teachers in their areas. He commended their work and said that what they are trying to do could be a model for a statewide program.

He updated the Board members on the work of the Ad Hoc Strategic Plan Development Committee and noted that based on discussion during their meeting on February 16 they are looking at the following three goal areas that will be their signature focus: improving quality of instruction and retaining quality staff, expanding data driven decision making in school management practices, and enhancing literacy. He said that work would continue to be done to keep building on these goals in order to have an initial report of the plan for the March Board meeting.

Dr. Dunn thanked the Board members for the seriousness with which they have engaged in the development of the Strategic Plan. He said that this right approach would serve the children of Illinois by being specific and programmatic in terms of the goals.

Superintendent Dunn announced that many staff members were not at the State Board meeting because they were attending the ISBE sponsored No Child Left Behind (NCLB) Conference in Chicago. He noted that he felt this conference was an important service that was much appreciated by educators around the state.

#### Chairman’s Report

Chairman Ruiz commented on two areas that the Board has been working on: the budgeting process and the strategic planning process. He said that Dr. Dunn has helped unite them as a group so that they can make informed decisions. He noted that the budget process had been successful and he thanked everyone for their efforts.

Chairman Ruiz told the Board members that he had participated in the following meetings recently.
| **Board Operations Committee** | Dr. Chris Ward reported that the committee had discussed the changes to the Board meeting agenda and they felt that it had increased their effectiveness. The committee also discussed recognition programs to honor teachers and students and they announced that Jessica Davis, of Pana High School, the winner of the Illinois Arts Education Week poster contest, would be recognized at the March State Board meeting.

Dr. Ward said that planning for the Board's summer Annual Work Conference was discussed and the committee will also begin to look at the Board’s Bylaws to make sure they are in sync with its operations.

Dr. Ward reported that he had attended the following meetings recently.

- The Next Generation of Teachers Symposium, Denver, CO. (An invitation was extended to the Board by the Hunt Commission to join in their efforts to improve nationwide teacher quality.)
- Recognition ceremony/plaque by a local school board to honor him and the State Board.
- Addressed a local Lion’s Club meeting.

He announced that he and Mr. Dean Clark would be addressing a large law conference in Chicago on February 26. |

| **COMMITTEE REPORTS** | Dr. Fields reported that the committee discussed the AYP/IEP Non-Appealable Hearings that will take place at ISBE on February 25. They also heard an update on Supplemental Education Service and USDOE and they requested more information on ISBE “less red tape” responses. The committee discussed a connection with the Governor’s Education Task Force and they determined that the Board’s four committee chairs would rotate attendance at the task force meetings. Ms. Brenda Holmes will attend the next task force meeting on Friday, February 25 and report back to the committee.

Dr. Fields said that the Education Planning Policy Committee meetings are open to the public and encouraged interested individuals to attend. Dr. Fields noted that next month the committee will seek information from staff regarding Safe Harbor, which is connected to special education. Ms. Joyce |
Karon will share information on Adolescent Literacy, and the committee will be brought up to speed on gifted education, a topic that was brought up in the budget hearings held around the state.

Dr. Fields reported that he had attended a successful meeting with Superintendent Dunn on February 9 at Danville High School with community leaders and district administrators.

**Finance and Audit Committee**

Mr. Edward Geppert reported regarding the budget hearings held in January. He said that they were well attended and had many wonderful presentations. He thanked the Board members that attended or participated by telephone. He also reported on the February 8 special Board meeting where the Board members determined their spending priorities, and the Board members’ attendance at the Governor’s Budget Address on February 16. He noted that more discussion followed in the committee meeting in the afternoon of February 16 regarding the impact and options outlined in the Governor’s Budget Address with the help of staff members Mark Kolaz and Linda Mitchell. The February 16 committee discussion concluded with a consensus budget recommendation that will address almost all of ISBE’s budget priorities.

**Governmental Relations Committee**

Ms. Brenda Holmes reported that the committee discussed and reviewed pending and new legislation and also legislation that ISBE has specifically introduced. She encouraged the members to review the bill listing that was distributed and asked them to contact Nicole Wills for House Bill questions or Josh Jacobs for Senate Bill questions. Legal Counsel Jon Furr discussed with the committee the obsolete rules that have been identified by staff members for potential elimination and the schedule of activities surrounding that process.

**Members’ Reports**

Dr. Vinni Hall reported that as a member of the Early Learning Council, she would provide to Board members the 18 page list of “Pre-School For All” big ideas and priorities that were discussed at the Council meeting on January 31. She also informed the Board that she had attended a very informative meeting on February 4 at the Institute for Policy Research at Northwestern and the topic was “Looking Inside the Black Box of Schools: Classrooms, Teachers and School Leaders.”

Dr. Hall commented that on March 12 she will be a keynote speaker at Northeastern Illinois University regarding inclusion and the effect of No Child Left Behind and the budget process, and on March 29 she will be in Washington, D.C. representing the Board with Chris Koch on a variety of meetings regarding special education.

Ms. Joyce Karon reported that she is participating in the NASBE study of the middle and secondary adolescent literacy. She said that the information coming out of this study would be important to the Board because an important priority at the federal level will be the reform of high schools. She informed the Board that there would be preliminary ideas as early as April.

Ms. Karon said that on February 18 she would be attending the Illinois School Library Media Association press conference announcing a research study regarding the impact of school libraries on student achievement. She noted that at the March Board meeting she would like to have a short presentation regarding the results of this research study.
Dr. David Fields announced that he and Superintendent Dunn would be attending the Illinois State University Administrators' Round-Up on March 9 in Bloomington.

Chairman Ruiz commented that all items listed with an asterisk (*) on the agenda are considered to be routine and will be enacted in one motion and vote.
