

## Illinois Family and Consumer Sciences Educators Council

The purpose of the Council shall be to: Serve in an advisory capacity to the consultants in family and consumer sciences in determining the goals of family and consumer sciences for the state; Articulate common interests with other professional organizations and with family and consumer sciences education; Provide leadership in facilitating the goals for the best interests of family and consumer sciences education; Review the Illinois State Board of Education Minimum Requirements for State Certificates as needed for certification, endorsement and accreditation policies; and Consider and recommend action and direction for family and consumer sciences educators on issues and concerns of the profession.

Membership is open to family and consumer sciences teacher educators from accredited colleges and universities in Illinois.

Current membership representation includes:
