

**CONTEXTUAL INFORMATION**

***Mission:***

The Teacher Education Unit at Olivet Nazarene University prepares candidates to enter or to continue in the richly diverse teaching profession through offering well-conceived and sound academic programs in a distinctive Christian environment. Preschool – 12 preservice certification programs integrate a solid liberal arts core with specialized theoretical/pedagogical/clinical offerings while graduate degree programs focus on inservice teachers' professional growth and development. All Unit programming is designed to produce graduates who become "Professionals Influencing Lives."

***Teacher Preparation Programs:***

Olivet Nazarene University offers 12 baccalaureate programs leading to State Teacher Certification and one graduate-level certification program. The baccalaureate programs are traditional programs, and the graduate program is an intense certification program designed for those who already hold a baccalaureate degree. All education programs are under the direction of the Teacher Education Faculty.

***Student Characteristics:***

Most undergraduates are of traditional college age, 95% attend full-time, 40% are Illinois residents, 60% are residents of the Church of the Nazarene, and 10% are minority students.

***Accreditation:***

Olivet Nazarene University is accredited by the Higher Learning Commission of the North Central Association of Colleges and Schools. All of the University's teacher preparation programs are accredited by NCATE and approved by the Illinois State Board of Education.

***Teacher Education Vision:***

ONU's Teacher Education Unit seeks to prepare candidates who will be Professionals Influencing Lives through a strong knowledge foundation: proficiency in curriculum, instruction, and evaluation; a high level of professionalism; and a Christ-centered character. The Unit seeks to prepare candidates who view teaching as a noble profession, a life-long pursuit, and a continual search for excellence.

***Best Practices:***

- Use and integration of technology in the classroom
- Candidates prepared to teach ALL students
- Integration of faith and learning
- Student involvement in classes
- Comprehensive portfolio procedures
- Formative and summative assessments

***Notable Features and Accomplishments:***

- Small classes are the norm
- Professors are actively involved in Professional Teaching Organizations
- Professors are practitioners
- Collaboration with the P-12 community
- Professional Development Day
