Early Childhood Special Education Educational Environments Codes

The Office of Special Education Programs has changed data reporting for preschool educational environments. The following information describes the new codes and how they must be used in reporting educational environments.

When reporting educational environments for children ages 3 through 5, use the following decision rules to determine which environment to choose. Please note that the order of the categories for children with disabilities ages 3 through 5 does not reflect a continuum from least to most restrictive.

Definition of a regular early childhood program – a program that includes at least 50 percent nondisabled children.¹ Regular early childhood programs include, but are not limited to:

- Head Start
- Kindergarten
- Private preschools
- Early Childhood Block Grant/Preschool for All programs
- Blended classrooms
- Private kindergartens² or preschools
- Group child development center or child care

Attendance at an early childhood program need not be funded by IDEA, Part B funds.

1. The first factor to consider is whether the child is attending a Regular Early Childhood Program as defined above. If so, report the child under Codes 30 or 31; or Codes 32 or 33 as directed below. If the child does not attend a Regular Early Childhood Program at all skip to instruction #2, below.

Codes 30 and 31 are for children attending a Regular Early Childhood Programs at least 10 hours/600 minutes or more per week.

If the child attends a Regular Early Childhood Program at least 10 hours/600 or more minutes per week, refer to the criteria listed under Instruction #3, titled “Reporting Special Education and Related Services Environment,” to identify

¹ The Illinois State Board of Education (ISBE) recognizes this definition does not align with that given in Section 226.730 of the rules for special education; however, this agency (ISBE) does not have the authority to alter federal reporting requirements. Therefore, for collection purposes we must report Early Childhood educational environment data in accordance with the federal requirements.

² Include children with disabilities enrolled by their parents in a private elementary school and receiving special education and related services in accordance with a services plan. The private elementary school must be a nonprofit institutional day or residential school, including a public elementary charter school, that provides elementary education, as determined under State law.
which of Codes 30 or 31 best represents the environment in which the child receives the majority of hours of special education and related services.

Codes 32 and 33 are for children attending Regular Early Childhood Programs less than 10 hours/599 minutes or less per week, refer to the criteria listed in Instruction #3, titled “Reporting Special Education and Related Services Environment,” to identify which of Codes 32 or 33 best represents the environment in which the child receives the majority of hours of special education and related services.

2. If the child does not attend a Regular Early Childhood Program as defined above, the child should be reported within Code 23, 24, 25, 26, 27. Such children would be either “Attending a Special Education Program (Codes, 23, 24, or 25), OR “Attending neither a Regular Early Childhood Program nor a Special Education Program” of any kind, in which case the child would be receiving special education and related services either at home (Code 26) or in a Service Provider Location or some Other Location (Code 27)

If the child attends a Special Education Program, as defined below, report the child under Code 23, 24, or 25.

Special Education Program. A Special Education Program includes less than 50 percent nondisabled children. Special Education Programs include, but are not limited to:
