Request 1 – “A list of all individuals (last name, first name) who received certificates in Physical Education after April 2009, listing as completing student teaching at John Marshall Harlan High School in Chicago, Illinois, and the semester and year in which they completed teaching.”

Response 1 – We have no response to this request as our agency does not collect or maintain information concerning student teaching.

Request 2 – “The month and year in which Keith Brookshire was certified as a Physical Education teacher, the semester and year in which he student taught, the college/university he was enrolled in which he completed his student teaching with, and the school(s) in which he completed his student teaching with.”
