RE: Freedom of Information Act

To Whom It May Concern:

I would like a copy of the report of the accounting ledger for School District 45 for the year of 2008-2009 & 2009-2010 (this year may not be complete, but what information is available to date so far).

My goal is to see what is district 45 Net Worth as of right now compared to last year.

If I can get an electronic copy that would be preferred.

Sincerely,
