Dear Records Request Officer:

Pursuant to the open records act, I am writing to request access to and electronic copies of data on the number of students with Individualized Education Plans (IEPs) in each Illinois public school, for each academic year from 2000-2001 through 2007-2008. These data should reflect each student's "home school," will be used for research purposes, and no individually identifiable data are requested.

Thank you for your assistance, and please contact me if you have any specific questions regarding this request.

Sincerely,

Bradford R. White
