Under the Illinois freedom of information act I'm making the following request.

All documentation and records involving health life safety this is to include the following but not limited to ten year survey and amendment data, annual inspection reports, and annual ROE reports for school district buildings maintained in a facility inventory listing. this is to cover the time period of 1-1-1980 to 1-1-2006

This information is to be provided in electronic format, this request is made in part to the fact I am disabled and this enables me to read and understand the information more clearly.

The information can be attached to an email and sent to the address below.

Thank You
Terry Giosta
