Dear Ms.

This letter is in response to your recent request for information under the Illinois Freedom of Information Act. Your request was received 5/11/10.

You have requested "any information regarding any legal action against Newberry Math and Science Academy in the Chicago Public School System."

In a 5/11/10 telephone conversation with ISBE's Mark Wancket, you clarified that you seek documents related to due process proceedings and/or mediations.

ISBE's Special Education Services Division does not store information regarding mediations or due process requests by school name. As a result, we have no information responsive to your request.

If you have any further questions, contact Mark Wancket at 217-782-4648.

Sincerely,

Matt Vanover
Director of Public Information
