To Whom It May Concern:

I am trying to obtain the following information on the entire school list of juniors and seniors in Cook county Illinois. In accordance to the “No Child Left Behind Act of 2001”, the Act requires that the schools distribute personal information of every student enrolled to military recruiters and institutions of higher education. Please fax the requested information to (708)-599-6298, also please email me a copy of the lists in excel format to bradley.schwab@navy.mil. Thank you in advance, if you have any other questions please contact me at (708) 599-6293.
