Dear Ms. Newquist:

This letter is in response to your second follow up request for information concerning School Food Authorities in Illinois.

Request 1 — “the form generated and submitted by the school food authorities’ authorized personnel when the authorized person fills out the online ‘Post-Contract Award Summary Sheet.’”

Response 1 — As the “Post-Contract Award Summary Sheets” contain some data that cannot be disclosed, you are provided the attached spreadsheet (Newquist 9-09.xls) which contains information generated through the process.

Request 2 — “the information generated through this process and the supporting ‘requested documentation.’”

Response 2 — See Response 1.

Request 3 — “each corresponding letter in its unredacted form the SFAs that has gone out for the new year, entitled, ‘A Contract Award Letter FSMC-2009-10.doc.’”

Response 3 — You are provided all the letters which have been generated to date. Note that not all letters are available at this point as some of the districts have not yet provided our office with final documentation.

If you have questions, contact Mark Wancket at 217-782-4648.

Sincerely,

Matt Vanover
Director of Public Information
