To whom it may concern,

I would like a copy of the Driver Education Programs audits for every school district in the State of Illinois. I'm requesting the following years 2005-2011. Specifically what is audited, a copy of a check list that is used to perform the audit, or any report written after the audit is complete. The name of the organization or persons to include titles that conduct the audits, and where the records are stored after the audits are complete. This information will be utilized for SB 2135. I'm requesting a waiver under section 6 of the Freedom of Information Act.

If you have any questions please contact me at [REDACTED].

thank you,

Charles McCoy
