Dear Mr. Kuster:

Enclosed, please find copies of the three (3) charter agreements included in your request that are currently certified by the ISBE, including any attachments or exhibits thereto. Please note that in the process of certifying charter school proposals, ISBE frequently requests additional information to complete the submission. See 23 Ill. Adm. Code 650.40(h) ("If a report is incomplete or a proposed contractual agreement fails to comply with any applicable law, the State Board shall so notify the submitting school board(s) and the applicant or charter holder, identifying the area(s) of deficiency that must be remedied before the proposal can be considered for certification."). Any information or revisions subsequently submitted by the District and/or the charter applicant in response to such requests by the ISBE are considered part of the charter school’s certified agreement with the District. However, given the apparent parameters of your request, we have not included such proposal materials with this FOIA response.

Your check for the amount of $63.90 was received.

If you have further questions, contact Mark Wancket at 217-782-4648.

Sincerely,

Marcilene Dutton  
Deputy General Counsel
