Such a change in the physical location of an existing Attendance Center or establishment of a new Attendance Center by the Charter School shall be deemed a material modification of this Agreement which requires the prior approval of the Board and State Board to be in full force and effect.

iii. Compliance with Disability Access Laws and Regulations. The Charter School shall ensure that its facilities and operations comply with: (1) all applicable provisions of Federal, State and local disability access laws including, without limitation, the Americans with Disabilities Act ("ADA"), 42 U.S.C.A. §12101 et seq., the Rehabilitation Act of 1973, 29 U.S.C.A. §701 et seq., as amended, their implementing regulations, the Illinois Environmental Barriers Act, 410 ILCS 25/1 et seq., and the accessibility portions of the Chicago Building Code; and (2) the ADA and Rehabilitation Act aspects of the Accountability Plan; provided, however, if the Charter School enters into a lease agreement with the Board to occupy a Board facility to operate an
Attendance Center, the terms and conditions of the lease agreement shall control as to that Attendance Center.

iv. **ADA Plan.** The Charter School shall submit facility plans for each Attendance Center which shall comply with the ADA and Section 504 of the Rehabilitation Act of 1973, as amended, their implementing regulations, the Illinois Environmental Barriers Act, and the accessibility portions of the Chicago Building Code ("ADA Plan"). Any such ADA Plan shall be submitted to the Board for approval which shall not be unreasonably withheld. Any such ADA Plan submitted to the New Schools Office and approved by the Board shall be incorporated herein by reference and made a part of this Agreement. Failure to submit an ADA Plan to the New Schools Office by the Board-specified date shall be deemed a material breach of this Agreement, subject to paragraph 13 herein, and the Board shall consider such non-compliance a factor in determining whether to revoke or renew the Charter School’s charter.

h. **Homeless Children.** The Charter School acknowledges and agrees that the Chicago Public Schools are committed to serving the needs of children who are homeless and to protecting their rights under Federal and State law. The Charter School agrees that one goal of this Agreement is to ensure that all homeless children who attend the Charter School receive the same services provided by the Chicago Public Schools to homeless children and agrees that it will provide services to homeless children at the same level that CPS provides those services. The Charter School also must protect the rights of children under the McKinney-Vento Homeless Assistance Act (42 U.S.C. §11431 et seq.) and the Illinois Education for Homeless Children Act (105 ILCS 45/1-5 et seq.) and all other laws that protect the rights of homeless children. 6. **Financial Operations of Charter School.**

a. **Financial Management.** At fiscal year end, the Charter School shall prepare its annual financial statements in accordance with accounting principles generally accepted in the United States of America for not-for-profit organizations ("GAAP"). During the fiscal year, the Charter School shall operate in accordance with GAAP, the cash basis of accounting, or any other basis of accounting, provided that the Charter School’s accounting methods allow it to prepare reports required by the Board, the State Board, and any other grantors.
b. **Budget.** The Charter School shall prepare and provide to the Board a copy of its quarterly and annual budgets for each fiscal year by no later than July 1 of such fiscal year. The fiscal year for the Charter School shall begin on July 1 of each year and end on June 30 of the subsequent year.

c. **Distribution of Funds.** The Board shall distribute the Charter School Funds, as determined in paragraph 6.d., in four quarterly installments payable on or about July 22, October 15, January 15 and April 15 of each fiscal year, or the first business day following each such day if any such day falls on a Saturday, a Sunday, or a holiday. All funds distributed to the Charter School from the Board shall be used for educational purposes only. The use of such funds for any other purpose is strictly prohibited.

d. **Funding Procedure.** The Board shall calculate the per capita tuition payment for each pupil enrolled at the Charter School for each academic year based on the per pupil rates set forth in the final Budget Book adopted by the Board each fiscal year and shall provide this amount to the Charter School for each pupil enrolled at the Charter School as set forth below. The Charter School acknowledges and agrees that the funding amounts provided to the Charter School by the Board may be adjusted or vary from year to year depending upon the amount of appropriations authorized by the Illinois General Assembly and subsequent Board approval of the budget on an annual basis.

i. **First Installment (July 22).** The amount of the Board’s first quarterly payment shall be based initially on a pre-enrollment report provided to the Board no later than June 22 of each year, which pre-enrollment report shall contain the names and addresses of all students enrolled in the Charter School. It is understood and agreed that the first installment for each school year will be remitted only upon the Board receiving all required submissions and documentation on such dates as set forth in the compliance chart compiled by the New Schools Office.

ii. **Second Installment (October 15).** The amount of the Board’s second quarterly payment shall be calculated such that the aggregate amount of the first and second quarterly installments is equal to the number of students enrolled at the Charter School on the twentieth day of the first semester, as verified by attendance records, multiplied by one half the per capita tuition amount.

iii. **Third Installment (January 15).** The amount of the Board’s third quarterly payment shall be based on the Charter School’s first semester enrollment, as determined under paragraph 6.d.ii. and shall be equal to one
half of the aggregate amount of the first and second payments.

iv. **Fourth Installment (April 15).** The amount of the Board's fourth quarterly payment shall be calculated such that the aggregate amount of the third and fourth installments is equal to the number of students enrolled at the Charter School on the tenth day of the second semester, as verified by attendance records, multiplied by one-half the per capita tuition amount.

e. **Supplemental General State Aid and Title I Funds.** The Charter School shall furnish the Board with eligibility data regarding Supplemental General State Aid ("SGSA") and Title I eligible students enrolled in the Charter School. SGSA revenues to which the Charter School is entitled shall be distributed to the Charter School quarterly on the dates set forth in paragraph 6.d. hereof on an estimated basis, provided that the Board may adjust any such payment to account for prior deviations between the estimated SGSA funds paid and the amount of SGSA funds to which the Charter School was entitled during such payment period. Such amounts shall be in addition to the per pupil funding amounts set forth in the final Budget Book adopted by the Board each fiscal year. Pursuant to the financial management requirements set forth in Section 80.20 of the Education Department General Administrative Regulations ("EDGAR") (34 CFR Part 80), the Charter School will keep financial records of such funds separate from its other revenues and there shall be no co-mingling of monies in various accounts. During the first year of the Charter School's provision of educational services, any Title I or other Federal funding for which these students qualify shall be provided to the Charter School by the Board in accordance with the formulas set forth in the final Budget Book adopted by the Board each fiscal year.

Availability of SGSA and Title I Funds to a Charter School is conditional upon the amount of governmental funding available, and the Charter School's maintaining continuous reporting, inspections, and audits, the quality of which shall be satisfactory to the Board and other relevant regulatory organizations. The scope and frequency of program reporting shall be agreed upon by the Charter School and the Board prior to funding the relevant programs unless modifications are required by the governmental funding agencies.

f. **Other Sources of Funds for Charter School.** Paragraph 6.d. is not intended to increase or decrease the amount of per capita student tuition to which the Charter School is entitled under the Charter Schools Law. If the Charter School satisfies the funding criteria, and subject to funding availability, the Charter School may be eligible to receive additional funding from the Board by means of special education reimbursements and per pupil allocations for English Language Learners, small schools and independent facility supplements. In addition, any Charter
School receiving Federal categorical funding must comply with all federal regulations tied to such funds. The funding criteria and procedures related to the aforementioned categories shall be set forth in the final Budget Book adopted by the Board each fiscal year.

g. **Refund of Unspent or Spent Funds.** In the event that this Agreement is revoked or is not renewed by the Board, the Charter School shall refund to the Board all unspent funds in accordance with Section 27A-11(g) of the Charter Schools Law. In addition, if the Charter School does not expend or obligate all federal grant funds prior to the end of each fiscal year, the Board may recapture such unspent grant funds from the Charter School. In addition, if the Board determines that grant funds provided to the Charter School were not used or expended for the specific purpose for which they were intended, the Charter School shall promptly reimburse such grant funds to the Board within thirty (30) days of receipt of written notice from the Board.

h. **Tuition and Fees.** The Charter School shall not charge tuition to any student, unless such student would otherwise be liable for tuition costs under the Illinois School Code. The Charter School may charge reasonable fees, to the extent permitted by law, for textbooks, instructional materials, summer school programs, after school programs, and student activities.

i. **Outside Funding.** The Charter School may accept gifts, donations or grants pursuant to Section 27A-11(d) of the Charter Schools Law, provided that no such gifts, grants or donations may be accepted if contrary to applicable law or to the terms of this Agreement. In the event that the Charter School solicits funding from sources other than those set forth in this paragraph 6, it shall comply with all applicable State or Federal laws regarding the reporting of charitable solicitations.

j. **Pension Payments.** The Board shall make payments directly to the Chicago Teachers Pension Fund on behalf of any education, administrative or other staff member employed at the Charter School (whether by the Charter School itself or one of its subcontractors) who is certified under the law governing certification of teachers in the amount of that employer's proportionate share of State funds made available to the Chicago Public Schools for such purpose. The Board shall not have any duty to make the employee's or other staff's member contributions. Notwithstanding the foregoing, the Charter School acknowledges and agrees that the Board retains the right to collect delinquent employee contributions from the Charter School in accordance with Section 17-132 of the Illinois Pension Code (40 ILCS 5/17-132) and may deduct such delinquent contributions from any quarterly payments due the Charter School.

In the event that the Board elects to deduct delinquent employee
contributions from quarterly payments due the Charter School, the Board shall provide the Charter School with forty-five (45) days prior written notice setting forth in detail the grounds for such action and the amount delinquent. If the Charter School fails to cure such delinquency to the Board’s satisfaction within said 45-day cure period, the Board shall be deemed to have a sufficient basis to withhold such funds from any quarterly payments otherwise due the Charter School and to remit such funds to the Chicago Teachers Pension Fund.

The parties hereby acknowledge and agree that the Charter School shall comply with those provisions of the Illinois Pension Code which specify applicability to, or compliance by, charter schools and it is not the intent of the parties to have the Charter School comply with any other portions of the Illinois Pension Code.

k. Management and Financial Controls. At all times, the Charter School shall maintain appropriate governance and managerial procedures and financial controls which procedures and controls shall include, but not be limited to: (1) accounting methods as specified in paragraph 6.a.; (2) a checking account; (3) adequate payroll procedures; (4) bylaws; (5) an organizational chart; (6) procedures for the creation and review of monthly and quarterly financial reports, which procedures shall specifically identify the individual who will be responsible for preparing such financial reports in the following fiscal year; (7) internal control procedures for cash receipts, cash disbursements and purchases; and (8) maintenance of asset registers and financial procedures for grants in accordance with EDGAR or the State Board.

l. Annual Audits. The Charter School shall cause a Financial Statement Audit and Financial and Administrative Procedures Controls Review (collectively, the “Financial Audit”), to be performed annually at its expense by an outside independent auditor that must be retained by the Charter School, and such auditor must be reasonably acceptable to the Board. The Financial Audit shall include, without limitation:

i. An opinion on the financial statements (and Supplementary Schedule of Expenditures of Federal Awards, if applicable);

ii. A report on compliance and on internal control over financial reporting based on an audit of financial statements performed in accordance with Government Auditing Standards and the Single Audit Act of 1984, as amended; and

iii. A report on compliance with requirements of applicable laws and regulations, including the audit requirements contained in the
Accountability Plan.

The Financial Audit shall be made available to the Board no later than November 1 of each year during the term of this Agreement, beginning with November 1, 2010.

m. **Quarterly Financial Reports.** The Charter School shall prepare or cause to be prepared quarterly financial reports, in accordance with Board instructions, which shall be submitted to the Board no later than thirty (30) calendar days after the end of each quarter and no later than forty-five (45) calendar days after the end of each fiscal year.

n. **Attendance.** The Charter School shall maintain accurate enrollment data and daily records of student attendance. The Charter School shall provide the Board with current enrollment and attendance data, including Individualized Educational Plan and English Language Learner data, via the Board’s IMPACT System (“IMPACT System”), or such other system as may be subsequently implemented by the Board. Such enrollment and attendance data shall be maintained and updated on the IMPACT System on a daily basis by the Charter School (or on any other time-frame basis consistent with district-level reporting). The Board shall provide the Charter School with the necessary IMPACT System access, software and training to allow Charter School personnel to use the Board’s IMPACT System and input enrollment/attendance data.

o. **Deductions for Facility Expenses.** If the Charter School is located in a Board facility, the Board may offer to provide the Charter School with certain facility services including building maintenance, technology services, utilities, and safety and security (“Facility Services”). A Charter School located in a Board facility and utilizing the Facility Services will have such charges deducted uniformly from the quarterly payments issued by the Board and such services and charges will be outlined in the lease between the Board and the Charter School. Such charges may be adjusted annually or upon such other terms as set forth in the lease agreement.

p. **Withholding of Funds.** In the event that the Board deems that there has been a material violation of this Agreement, the Board may withhold any and all payments of funds to the Charter School providing the Board gives the Charter School written notice enumerating the specific failure(s) and the period of time during which the Charter School shall have the opportunity to cure such failure(s) after the Charter School’s receipt of such written notice. Upon the Charter School’s cure of any such failure(s), the Board shall immediately release any and all payments of funds due the Charter School.

7. **Purchase Agreement.** The Board and the Charter School may enter into a purchase agreement or agreements providing for the purchase by the Charter School from
the Board of certain goods, services and materials in connection with the operation of the Charter School.

8. **Insurance.** The Charter School shall, at its own expense, purchase and maintain insurance covering all of its operations, whether performed by Charter School or by subcontractors. Such insurance shall include the types of insurance set forth in Exhibit C hereto, subject to the conditions and in no less than the respective limits set forth therein. All insurers shall be licensed by the State of Illinois and rated A-VII or better by A. M. Best or a comparable rating service. No later than fifteen (15) days following the execution of this Agreement, and each July 1 thereafter, the Charter School shall provide the Board with certificates of insurance or other satisfactory proof evidencing coverage in the types and amounts as set forth in Exhibit C.

9. **Academic Accountability and Evaluations.**

   a. **Accountability Plan.** The Charter School shall be held accountable by the Board in accordance with the Accountability Plan contained in Exhibit D ("Accountability Plan"). Due to potentially sweeping changes regarding testing requirements and other accountability standards that may occur because of the enactment of the No Child Left Behind Act or other laws or mandates, the parties agree that the Accountability Plan attached as Exhibit D hereto is subject to renegotiation effective on or before June 30 of each year of the Agreement upon written notice from the Board no later than April 1 of each year. The parties agree to work diligently and in good faith to re-negotiate the Accountability Plan so as to comply with any and all required changes regarding accountability standards which are applicable to charter schools.

   b. **Standardized Tests.** The Charter School shall administer such standardized tests of academic proficiency as are provided for in the Board’s policies and procedures, and shall participate in State assessments required by Section 2-3.64 of the Illinois School Code. The Charter School shall participate fully in the Illinois Standards Achievement Test ("ISAT") for grades 3 through 8 and the Prairie State Achievement Examination ("PSAE") for grade 11. The Charter School shall administer the Illinois Alternate Assessment ("IAA") in place of the ISAT and/or PSAE to students with significant cognitive disabilities. The Charter School is responsible for ensuring that the data elements (i.e., student names, demographic information, etc.) required to administer the State assessments are correctly entered into the district’s IMPACT System.

   c. **Site Visits.** In addition to the above procedures, the Charter School shall grant reasonable access to, and cooperate with, the Board, its officers, employees and other agents, including allowing site visits by the Board, its officers, employees and other agents, for the purpose of allowing the Board to fully evaluate
the operations and performance of the Charter School pursuant to the Accountability Plan and the Charter Schools Law. Where possible, the Board shall provide the Charter School with at least 24 hours prior notice of such site visits.

10. **Specialized Services.**

   a. The Charter School shall provide special education and related services to students with disabilities in accordance and compliance with (i) the student’s IEP; (ii) the Individuals with Disabilities Education Act (20 U.S.C. §1401 et seq.); (iii) the Board-approved “A Procedural Manual Educating Children with Disabilities in Chicago Public Schools”, revised edition 2002, as may be amended from time to time, which is incorporated herein by reference; (iv) any and all Federal court orders applicable to children with disabilities in the Chicago Public Schools including, but not limited to, Corey H, 92 C 3409; and (v) any and all service bulletins issued by the Board’s Office of Specialized Services.

   b. **Special Education Teachers & Paraprofessionals.** The Charter School shall hire its own special education teachers and paraprofessionals to provide special education services to the Charter School’s students with disabilities. The Board shall reimburse the Charter School for the salary and benefits of certified special education teachers and paraprofessionals based on the Board’s special education staffing formulas and the student’s IEP.

   c. **Staffing Election of Clinicians.** The Charter School may elect to hire its own clinicians to provide IEP services to its students with disabilities enrolled at the Charter School or it may elect to have the Board furnish clinicians to serve the Charter School’s students with disabilities. The Charter School shall notify the Board in writing, by August 1 of each year, of its election regarding the staffing of clinicians if such staffing is required by its students’ IEPs. If the Charter School elects to have the Board furnish the necessary clinicians, the Board shall assign the necessary staff to the Charter School. If the Charter School elects to hire its own clinicians, the Charter School shall be reimbursed by the Board per CPS allocation percentage.

   d. **Staff Requirements.** By April 30 of each year, in accordance with the Board’s budgetary process, the Charter School shall receive the projected staffing allocation for special education teachers, paraprofessionals (and by May 31 of each year for clinicians) required by State guidelines, based on students enrolled at the Charter School, entered into and identified as needing services by the students’ IEPs and the Board’s IMPACT System. The Board may during the school year issue adjustments to these staff requirements to accommodate changes in the enrollment and IEP needs of the Charter School’s students. All special education teachers,
paraprofessionals and clinicians employed by the Charter School shall have the requisite qualifications, Illinois certificates and/or licenses.

e. Additional Resources. Notwithstanding paragraph 6 of this Agreement, the Board shall provide necessary additional resources including assistive technologies (as required by a student’s IEP) for the education of students with disabilities enrolled in the Charter School in accordance with the Individuals with Disabilities Education Act, Section 504 of the Rehabilitation Act of 1973, and the IEPs of such students. Such additional resources shall be sufficient to comply with all provisions of the Charter Schools Law, including Section 27A-11 thereof.

11. Comprehensive School Management Contracts. No entity or party other than the Charter School may provide comprehensive school management or operations except upon the prior approval of the Board, and certification by the State Board. Furthermore, in the event the Charter School desires to enter into any contract for comprehensive school management or operations services to be performed in substantial part by an entity not a party to this Agreement, the provisions of Exhibit E attached hereto must be incorporated into any such contract.

12. Renewal of Charter; Failure to Renew. No later than January 1, 2014, and no earlier than September 1, 2013, but in no event later than the date set by the New Schools Office, the Charter School shall provide a written proposal to the Board in accordance with Section 27A-9 of the Charter Schools Law, setting forth proposed terms of renewal of this Agreement. Pursuant to Section 27A-9(b) of the Charter Schools Law, the renewal proposal of the Charter School shall contain the most recent audit report and financial statement of the Charter School, including financial information specific to each Attendance Center or campus, if applicable. The written proposal may contain proposed changes to this Agreement that the Charter School desires to incorporate into the renewed agreement. The renewal proposal shall be evaluated by the New Schools Office in accordance with paragraph 4 of Exhibit D.

No later than June 30, 2014, the New Schools Office shall notify the Charter School of its recommendation regarding such renewal indicating whether, and upon what conditions, it is willing to recommend to the Board the renewal of the charter and the Agreement, including any modified terms proposed by the New Schools Office. If there is no agreement on the terms of renewal, then the parties shall fulfill their mutual obligations hereunder to the end of the term of this Agreement. The Board may refuse to renew the charter and the Agreement upon a finding that any cause for revocation exists under paragraph 13 hereof.

13. Revocation of Charter. The Board may revoke this Agreement and the charter of the Charter School, in whole or as to any Attendance Center or campus, if applicable, in accordance with Section 27A-9 of the Charter Schools Law, if the Board
clearly demonstrates that the Charter School, or any Attendance Center or campus, did any of the following, or otherwise failed to comply with the requirements of the Charter Schools Law:

a. Committed a material violation of any of the conditions, standards, or procedures set forth in this Agreement including the Accountability Plan; or

b. Failed to meet or make reasonable progress toward achievement of the content standards or pupil performance standards identified in this Agreement or in the Accountability Plan; or

c. Failed to meet generally accepted standards of fiscal management; or

d. Materially violated any provision of law from which the Charter School was not exempted.

In addition, the charter of the Charter School may be revoked in the event that the parties agree to terminate this Agreement by mutual consent pursuant to paragraph 23 of this Agreement, or in accordance with any specific revocation indicators set forth in paragraph 4 of Exhibit D.

In the event that the Board proposes to revoke this Agreement and the charter of the Charter School, in whole or as to any Attendance Center or campus, the Board shall provide the Charter School with written notice setting forth in detail the grounds for such revocation at least 14 days prior to the date the Board takes final action on such revocation.

a. To the fullest extent permitted by law, the Charter School shall indemnify, defend and hold harmless the Board, its members, officers, employees, agents, affiliates and representatives, past and present (collectively, the “Board Indemnitees”), from and against any and all liabilities, losses, penalties, damages and expenses, including costs and attorney fees, arising out of all claims, liens, demands, suits, liabilities, injuries (personal or bodily), of every kind, nature and character arising or resulting from or occasioned by or in connection with (i) the possession, occupancy or use of the property of the Charter School by its faculty, students, patrons, employees, guests or agents, (ii) any negligent, willful or wrongful act or omission to act by the Charter School, its faculty, students, patrons, employees, guests or agents, (iii) a violation of any law, statute, code, ordinance or regulation by the Charter School, its faculty, students, patrons, employees, subcontractors, guests or agents, and/or (iv) any breach, default, violation or nonperformance by the Charter School of any term, covenant, condition, duty or obligation provided in this Agreement including, but not limited to, the
Accountability Plan (collectively, the “Covered Losses”). This indemnification shall not apply to the extent that any Covered Loss results from the negligence or wrongful act or omission of any Board Indemnitee or from any act or omission of the Charter School required by law or this Agreement.

b. To the fullest extent permitted by law, the Board shall indemnify, defend and hold harmless the Charter School, any successor entity thereto, and their respective members, officers, employees, agents, affiliates and representatives, past and present (collectively, the “Charter Indemnitees”), from and against any and all liabilities, losses, penalties, damages and expenses, including costs and attorney fees, arising out of all claims, liens, demands, suits, liabilities, injuries (personal or bodily), of every kind, nature and character arising or resulting from or occasioned by or in connection with (i) a violation of any law, statute, code, ordinance or regulation by the Board, its members, officers, employees or agents and/or (ii) any breach, default, violation or nonperformance by the Board of any term, covenant, condition, duty or obligation provided in this Agreement or the Accountability Plan (collectively, the “Covered Losses”). This indemnification shall not apply to the extent that any Covered Loss results from the negligence or wrongful act or omission of any Charter Indemnitee or from any act or omission of the Board required by law or this Agreement.

c. This indemnification, defense and hold harmless obligation shall survive the termination of this Agreement. Any indemnified party shall have the right, at its own expense, to participate in the defense of any suit, without relieving the indemnifying party of any of its obligations hereunder.

15. Disclaimer of Liability. The parties expressly acknowledge that the Charter School is not operating as the agent, or under the direction and control, of the Board except as required by law or this Agreement, and that the Board assumes no liability for any loss or injury resulting from: (1) the acts and omissions of the Charter School, its directors, trustees, agents, subcontractors or employees; (2) the use and occupancy of the building or buildings occupied by the Charter School, or any matter in connection with the condition of such building or buildings; or (3) any debt or contractual obligation incurred by the Charter School. The Charter School acknowledges that it is without authority to, and will not, extend the faith and credit of the Board or the Chicago Public Schools to any third party.

16. Governing Law. This Agreement shall be governed by, subject to and construed under the laws of the State of Illinois without regard to its conflicts of laws provisions.

17. Waiver. No waiver of any breach of this Agreement shall be held as a waiver of any other or subsequent breach.
18. **Dispute Resolution.** If a minor violation or dispute arises between the parties relating to the interpretation or performance of this Agreement, designated representatives of each party who shall have the authority to resolve the dispute shall attempt in good faith to negotiate or mediate a resolution of the dispute. Notwithstanding anything to the contrary in this paragraph, both parties shall continue to perform their obligations under this Agreement in good faith during the resolution of such minor dispute, unless and until this Agreement is terminated in accordance with the provisions hereof.

19. **Counterparts; Signature by Facsimile.** This Agreement may be signed in counterparts, which shall together constitute the original Agreement. Signatures received by facsimile (with confirmation thereof) by either of the parties shall have the same effect as original signatures.

20. **Terms and Conditions of Application.** The parties hereto expressly agree that the Application sets forth the overall goals, standards and general operational policies of the Charter School. The Charter School acknowledges and agrees that its Application is an integral part of this Agreement, and the Board shall have the right to hold the Charter School responsible for all information, representations and statements contained in the Application. The parties understand, however, that the Application is not a complete statement of each detail of the Charter School’s operation. To the extent that the Charter School desires to implement specific policies, procedures or other specific terms of operation that supplement or otherwise differ from those set forth in the Application, the Charter School shall be permitted to implement such policies, procedures, and specific terms of operation, provided that such policies, procedures and terms of operation are consistent with the goals, standards and general operational policies set forth in the Application, this Agreement, and the Charter Schools Law.

21. **Amendments.** This Agreement may be amended only by written consent of the parties hereto and, in the case of material amendments, only after submission of such amendments to, and approval by, the State Board in accordance with Section 27A-6(e) of the Charter Schools Law. For purposes of this Agreement, the parties acknowledge that material changes include, but are not limited to, the following: (a) the addition of new grades; (b) an increase in enrollment capacity; (c) a move to a new Attendance Center; (d) the addition of a new Attendance Center or campus; and (e) any and all other material modifications to this Agreement.

22. **Assignment.** This Agreement may not be assigned or delegated by the Charter School under any circumstances, it being expressly understood that the charter granted hereby runs solely and exclusively to the Charter School.

23. **Termination.** This Agreement may be terminated prior to its expiration by the mutual consent of the parties or revocation of the charter of the Charter School pursuant to paragraph 13 hereof. Termination of this Agreement for any reason shall serve
to immediately revoke the charter granted hereby.

24. **Notices.** Any notice, demand or request from one party to any other party or parties hereunder shall be deemed to have been sufficiently given or served for all purposes if, and as of the date, it is delivered by hand, overnight courier, facsimile (with confirmation thereof), or within three business days of being sent by registered or certified mail, postage prepaid, to the parties at the following addresses:

26. **Severability.** In the event that any provision of this Agreement or the application thereof to any person or in any circumstances shall be determined to be invalid, unlawful, or unenforceable to any extent, the remainder of this Agreement, and the application of such provision to persons or circumstances other than those as to which it is determined to be invalid, unlawful or unenforceable, shall not be affected thereby, and each remaining provision of this Agreement shall continue to be valid and may be enforced to the fullest extent permitted by law.

27. **Superseder.** This Agreement supersedes and replaces any and all prior agreements and understandings between the Board and the Charter School with respect to the subject matter hereof. To the extent that any conflict or incompatibility exists between the Application as incorporated herein and the other terms of this Agreement, such other terms of this Agreement shall control.

29. **Prior Actions.** It is expressly agreed and understood that as a condition precedent to this Agreement becoming effective on the Effective Date hereof, the Charter School shall have taken, completed and satisfied on or before the date specified herein any action or obligation which is required to be completed before such Effective Date, and that failure to do so shall constitute grounds for the Board to declare this Agreement null and void.

30. **Construction.** This Agreement shall be construed fairly as to both parties and not in favor of or against either party, regardless of which party prepared the Agreement.

31. **Incorporation of Exhibits.** All exhibits referenced herein are hereby incorporated into and made a part of this Agreement.

1. By January 30, 2009, the Charter School will meet with the CPS Director of ADA Policy and the CPS FACTS Team Leader to verify that the structural life-safety/high priority items detailed in the Facility Report have been satisfactorily addressed. Also, at this meeting, the Charter School leadership, CPS Director of ADA Policy, and the CPS FACTS Team Leader will discuss the structural and non-structural ADA compliance issues and the non-ADA related "notable concerns" detailed in the Facility Report. By March 2, 2009, the Charter School will complete and submit for approval to the New Schools Office, CPS FACTS Team Leader, and CPS Director of ADA Policy a plan addressing the structural and non-structural aspects of ADA compliance and a plan addressing the non-ADA related "notable concerns." The plans must include allocated budgets and resources to repair the issues identified as well as an integrated timeline for completion.

2. By April 6, 2009, the Charter School must submit to the New Schools Office a staffing and hiring plan outlining how it plans to achieve the required certification levels, i.e., 75% of teachers must be IL certified and 100% of teachers must be NCLB certified. One hundred percent of its teachers must be in compliance with Charter Schools Law. The plan must detail the steps that the Charter School will take to hire highly qualified certified teachers to its staff while also addressing how current non-certified teachers will become certified.

3. Pursuant to paragraph 4.m. of this Agreement, the Charter School must provide to the New Schools Office a report with the number of students identified as English Language Learners ("ELLs") upon administering the state-prescribed screening instrument (WAP-T) to those new students who have enrolled from outside the district. In addition, the Charter School must provide a separate report that shows the number of students at each proficiency level and the number that transitioned out of ELL status upon administering the state-mandated English language proficiency assessment (ACCESS). These reports must be submitted to the New Schools Office by January 1, 2010 and, if requested by the New Schools Office, on an annual basis throughout the term of this Agreement.

Conclusion

Upon approval by the Board to renew the charter and the Agreement, the aforementioned specific terms and conditions shall be incorporated into and made a part of the Agreement.
If the Charter School fails to meet these conditions within the designated timeframes, the Board may elect to i) revoke the Agreement, ii) pursue all other remedies available under the Agreement, or iii) not renew the Agreement in the future.

2. **Additional Insured:** The Charter School shall have its general liability insurance and automobile liability insurance policies endorsed to provide that the Board of Education of the City of Chicago, a body politic and corporate, and its members, employees, officers, officials and agents, and any other entity as
may be designated by the Board are named as additional insured on a primary basis without recourse or right of contribution from the Board.

3. **Insurance Certificate.** The insurance company, or its representative, shall submit an insurance certificate to the Board evidencing all coverage as required hereunder and indicating the Additional Insured status as required above. The Board will not pay the Charter School for any work if satisfactory proof of insurance is not provided prior to the commencement of services. The Certificate must provide sixty (60) days prior written notice of material change, cancellation, or non-renewal be given to:

   Board of Education of the City of Chicago  
   Office of New Schools  
   125 S. Clark Street, 5th Floor  
   Chicago, Illinois 60603  
   ATTN: Executive Director

4. **General.** Any failure of the Board to demand or receive proof of insurance coverage shall not constitute a waiver of the Charter School’s obligation to obtain the required insurance. The receipt of any certificate does not constitute an agreement by the Board that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all requirements in the Agreement.

The Charter School’s failure to carry or document required insurance shall constitute a breach of the Charter School’s agreement with the Board. Non-fulfillment of the insurance conditions may constitute a violation of the Agreement, and the Board retains the right to stop work until proper evidence of insurance is provided, or the Agreement may be terminated. The Board will not pay the Charter School for any work if satisfactory proof of insurance is not provided before the commencement of services.

Any deductibles or self-insured retentions on referenced insurance coverage must be borne by the Charter School. Any insurance or self-insurance programs maintained by the Board do not contribute with insurance provided by the Charter School under the Agreement.

All subcontractors are subject to the same insurance requirements of the Charter School unless otherwise specified in this Agreement. The Charter School shall require any and all subcontractors under this Agreement to carry the insurance as required herein and to comply with the foregoing requirements; otherwise, the Charter School shall provide coverage for subcontractors. The Charter
School will maintain a file of subcontractor’s insurance certificates evidencing compliance with these requirements.

The coverages and limits furnished by the Charter School in no way limit the Charter School's liabilities and responsibilities specified within the Agreement or by law. The required insurance is not limited by any limitations expressed in the indemnification language in this Agreement, if any, or any limitation placed on any indemnity in this Agreement that might be given as a matter of law.

The Charter School agrees that insurers waive their rights of subrogation against the Board.

Upon Board request, the Charter School and/or its subcontractors shall promptly provide a certified copy of any applicable policy of insurance. The Board reserves the right to modify, delete, alter or change insurance requirements at any time.
EXHIBIT D

ACCOUNTABILITY PLAN

See attached.
ACCOUNTABILITY PLAN

The Board and Charter School have determined that it is in the best interests of the Board, the Charter School, students, parents and the public to articulate clear standards for the Charter School and to annually publish the level of achievement of the Charter School with respect to those standards.

1. Accountability Components

The Board and the Charter School hereby agree that the Charter School shall be evaluated annually in accordance with the Agreement and this Accountability Plan, as may be amended from time to time.

2. Annual Performance Reports

Annually the Board shall publish a Performance Report indicating the Charter School's performance overall and by each Attendance Center or campus if applicable, on each of the Indicators in the following two categories: Pupil Performance and Financial Management/Compliance. A Performance Report for the preceding school year may be issued by April 1 of each year or as soon as the data and corresponding analysis is available.

For the Pupil Performance Indicators, the Charter School’s performance on each indicator will be rated as follows:

- High - clearly meets/exceeds expectations;
- Middle - meets minimum requirements for that indicator; and
- Low - clearly does not meet expectations.

For the Financial Management/Compliance Indicators, the Charter School’s performance on each indicator will be rated as follows:

- 4 - Strong Performance
- 3 - Average performance
- 2 - Below average performance
- 1 - Poor performance

This Accountability Plan establishes the performance levels, listed below, which generate the ratings for each indicator. However, additional information or extenuating circumstances may lead the Board to rate a category higher or lower than when performance level criteria are strictly applied.

000100
A. Pupil Performance

The intent of the Pupil Performance section is to provide a multi-faceted understanding of student performance at the Charter School upon which the Charter School's academic performance will be evaluated. Pupil performance will be evaluated based on both Absolute Performance and Relative Performance. The Absolute Performance Indicators will be rated as High, Middle or Low as defined above. (See Table I for performance levels for the rating system.) The Relative Performance Indicators will be assessed as to whether or not the Charter School outperformed the comparison school average. (See Table II for Relative Performance Indicators.)

Standardized Tests

In the spring of each year, the Charter School shall participate fully in the Illinois Standards Achievement Test ("ISAT") for grades 3 through 8 and the Prairie State Achievement Examination ("PSAE") for grade 11. For comparison purposes, the Charter School shall participate in the EXPLORE Test in grade 9 and the PLAN Test in grade 10 during the administration period determined by the Chicago Public Schools. Data from these assessments will be compiled and evaluated as described below. If for any reason the Chicago Public Schools ceases to use any of the assessment systems described herein, the Board shall implement, for Charter School accountability purposes, the same alternate student assessment system and test measure criteria used for District's students.

Unique Standards and Assessments

In addition to standardized tests, the Charter School voluntarily may include Unique Standards and Assessments in its Accountability Plan. The Charter School may choose to implement alternative assessments to measure student achievement of existing Illinois Learning Standards. In addition, the Charter School may choose to implement unique learning or performance standards that are not part of the Illinois Learning Standards and to implement assessments for those unique standards. In either case, the standards must be measurable and assessed annually, and the assessment results must indicate if a student Meets or Does Not Meet the standard. In addition, the Charter School may document the growth and trend data for student performance as related to the standard. The Charter School's decision to implement unique standards and assessments shall not affect the Charter School's obligation to comply with the ISAT and PSAE assessments set forth in this Accountability Plan, and the EXPLORE and PLAN Tests as described above. Only those Unique Standards and Assessments agreed to by the Charter School and the Board by January 15 of each year may be included in the Performance Report.
Additional Student Performance Indicators

The Charter School's attendance rate, graduation rate (for high schools), dropout rate (for high schools), and percentage of students transferring out of the Charter School will also be assessed. While attendance rate data will be collected, classified, and reported annually, Low performance on this indicator alone (and no others) shall not be grounds for non-renewal or revocation. However, the Board may use Low performance on this measure as the basis for further inquiries about the Charter School's practices, which may be the cause of the Low performance. The Charter School shall cooperate with all reasonable inquiries by the Board in this regard.

Adequate Yearly Progress

As required by the Federal No Child Left Behind Act, Illinois has set annual Adequate Yearly Progress ("AYP") targets for student performance on the ISAT and PSAE assessments. Charter Schools receiving Title I funds must meet these targets to achieve AYP. If the Charter School receives Title I funds and fails to make AYP for 2 consecutive years, it shall be designated as a school in need of School Improvement and will face sanctions as required by Federal law. For purposes of this Agreement, the AYP target is one of many indicators to be assessed on an annual basis (see Table I). The Charter School will be ranked on the AYP indicator for purposes of this Accountability Plan. However, the Charter School will not face any sanctions if it is not receiving Title I funds.

At the time of execution of this Agreement, the annual AYP targets for the ISAT and PSAE are anticipated to be as follows. In the event that the AYP targets are revised, the Charter School will be subject to the revised targets.

Relative Performance Indicators

The Relative Performance of the Charter School will be determined by comparing the Charter School's performance relative to a weighted, aggregate average of the performance of the Chicago Public Schools within whose attendance boundaries the Charter School students reside, referred to as the "Comparison School Average" (see Table II).

Although Relative Performance Indicators will not be given a High, Middle or Low rating, the Board will review this data annually to determine how the Charter School is performing compared to the Chicago Public Schools that the Charter School students would otherwise attend. Table II will be completed and included in the annual
Performance Report. This data will also be considered by the Board during renewal decisions.

CPS School Performance, Remediation and Probation Policy

Pursuant to the new School Performance, Remediation and Probation Policy for both elementary and high schools adopted by the Board on June 2, 2008 (08-0602-PO2), as amended, CPS may assign any charter school, beginning in its third year of operation, an accountability designation for purposes of comparison to other CPS schools and public reporting. Under the policy, a school shall receive one of three ratings: Remediation, Probation or Good Standing. The level of the Charter School's achievement and progress will be determined by indicators under the following categories: a) Current Status, b) Trends, and c) Student Growth.

The CPS School Performance, Remediation and Probation Policy shall not govern the revocation or renewal of a school's charter or contract.

B. Financial Management and Compliance

The following Financial Management and Compliance Indicators will be included and evaluated in each Performance Report: Financial Condition and Budget, Financial Controls, Reporting, and Legal Compliance. The school will receive points for each indicator based on the rubric described below. Performance against each indicator as well as total points will be reported in the Annual Performance Report.

Financial Condition and Budget

This category measures the overall financial health of the school based on the change in net assets, liquidity, net asset ratio, loan delinquency, and the reasonableness of the budget. Points will be assigned for this indicator as follows:

The Board shall use the annual budget submitted pursuant to paragraph 6.b. of the Agreement and the annual Financial Audit, required under paragraph 6.1., along with any other relevant information as part of the Financial Condition and Budget Indicator.
Financial Controls

This category assesses the fiscal soundness of the financial system in place at each school, taking into consideration the auditor's independent review as well as the fiscal policy and procedures of the school. In determining the overall score for this indicator, the annual audit is weighted twice.

<td>• System generates few reports regularly; school lacks adequate management and/or board review of financial reports. Board meets less than once a quarter with weak committee structure; financial systems in need of improvement; minimum financial expertise</td>
<td>• System to generate reports is weak; inadequate or no board/committee review; board involvement and committee structure is non-existent; poor financial systems; no financial expertise</td>
</tr>

</table>

The following items, required by paragraph 6.k. and 6.l. of the Agreement, shall be evaluated and presented as part of the Financial Controls Indicator:

a) the Charter School’s audit report opinion on its financial statements;
b) the Charter School’s audit report on compliance and internal control over financial reporting based on an audit of the financial statements
performed in accordance with Government Auditing Standards and the Single Audit Act of 1984, as amended; and

c) the Charter School’s financial systems and policies.

Reporting

The following items, required by paragraph 6.1.i.ii. of the Agreement shall be tested and reported upon annually by the Charter School's independent auditor and evaluated and presented as part of the Legal Compliance Indicator:

a) Fingerprint-based criminal background investigations and checks of the Statewide Sex Offender Database and the Statewide Child Murderer and Violent Offender Against Youth Database (105 ILCS 5/34-18.5)

ii) Paragraph 4.k., the school’s governance structure,

iii) Paragraph 5.c., maintenance of corporate status and good standing,

iv) Paragraph 5.g., the school’s facility and ADA compliance,

v) Paragraph 6.j., compliance with applicable sections of the Illinois Pension Code,

vi) Paragraph 6.k., ongoing presence of management and financial controls, and

v) Paragraph 8., maintenance of required insurance coverage.

In addition to the above items, the Board will also consider the Charter School’s compliance with the New School Office’s compliance chart and the teacher qualification requirements in accordance with both the Charter Schools Law (Section 27A-10) and the requirements for Highly Qualified teachers under the No Child Left Behind Act (if the Charter School receives Title I funding). Failure to comply with either the compliance chart or the teacher qualification requirements shall affect the rating on the Legal Compliance Indicator.

When determining how to classify a Financial Management and Compliance Indicator, the Board may consider information from various sources including, but not limited to, audits, site visits, and information provided by parents or employees. If the audit states that there were material weaknesses or significant deficiencies found, the Board shall request from the Charter School the auditor’s management letter and/or an opinion from a qualified, third-party professional regarding the importance of the finding. The Board shall also ask the Charter School to respond to the finding.

3. Charter School Participation in the Accountability Process

The Charter School shall take all necessary actions to collect and report the information required by this Accountability Plan for the Charter School overall and by each Attendance Center, if applicable, including, without limitation:

1. Full participation in the administration of the ISAT and/or the PSAE, or such other applicable student assessment, as the case may be, including all procedures designed to safeguard the integrity of the assessments;

2. Participation in site visits conducted by the Board to ascertain that sufficient, minimum educational and operational practices are in place;

3. An annual financial and compliance audit, as required by law, including but not limited to, the Single Audit Act Amendments of 1996 (31 U.S.C. §7501-07), OMB Circular A-133, and the compliance requirements set forth in OMB Compliance Supplement, and by the Agreement;

4. Provision of student, school, and employee information required by the Agreement and/or the Accountability Plan;
5. Submission and implementation of ADA Plan(s) for the Attendance Center(s) required by the Agreement;

6. Provision of information that is necessary to evaluate parent, student, employee, or public allegations or audit findings that, if true, would constitute a violation of the law or Agreement; and

7. Provision of additional information or cooperation in other actions not listed in this section necessary to evaluate the Charter School's performance with respect to the Compliance Categories.

4. Non-Renewal and Revocation

The Board shall hold the Charter School accountable in these Categories (Pupil Performance and Financial Management/Compliance) through the Indicators contained in the annual Performance Reports. The Board shall give fair consideration to all Indicators for the current year in comparison to the previous years of the Charter School's history when acting to renew, not renew, or revoke the Charter School's charter.

The Board may act to revoke or to not renew a charter, in whole or as to any Attendance Center or campus, during the term of the Agreement in accordance with paragraphs 12 and 13 of this Agreement.

THE CHIEF EXECUTIVE OFFICER RECOMMENDS THE FOLLOWING:
Approve the renewal of the Charter School Agreement with Noble Network of Charter Schools for an additional five-year period. A new Charter School Agreement applicable to this renewal term will be negotiated. The authority granted herein shall automatically rescind in the event a written Charter School Agreement is not executed by the Board and the charter school's governing board within 120 days of the date of this Board Report. The agreement authorized herein will only take effect upon certification by the Illinois State Board of Education. Information pertinent to this renewal is stated below. The authority to open the three (3) new campuses for which sites have not yet been identified and the corresponding increase in the maximum enrollment is contingent upon Board approval of the sites via an amended Board Report.

The authority granted herein shall automatically rescind in the event a written Charter School Agreement is not executed within 120 days of the date of this Board Report. The agreement authorized herein will only take effect upon certification by the Illinois State Board of Education.

This April 2009 amendment is necessary to authorize the Noble Network of Charter Schools to (a) identify a location for the Bair NUSH Grammar School Campus at 1454 W. CHARTER EVALUATION: After receiving the charter renewal proposal, the Office of New Schools conducted a comprehensive evaluation of Noble Street’s performance and operations. This evaluation included a review of the proposal, facilities surveys, financial analysis, and academic site visits of the seven campuses in which teaching and learning, leadership and governance, learning communities and services provided to English Language Learners and students with special needs were assessed. A public hearing was conducted on December 4, 2008 to receive public comment on the application to renew the Charter School Agreement with Noble Network of Charter Schools for an additional five years. There was no public testimony, oral or written, from anyone in opposition of the renewal of Noble Network of Charter Schools. Since 2004-2005, the charter school’s attendance rate has exceeded 94%. In 2007-2008, zero percent of students at the Noble Street campuses dropped out of school. While Noble Street experienced a slight decline in the percent of students meeting/exceeding state standards on the PSAE Composite, Noble Street’s average ACT Composite score has
stayed above an 18. In 2007-2008, Noble Street’s graduation rate (88.2%) ranked in the top 20 percent of district high schools. From 2004-2005 to 2007-2008, Noble Street received 37 out of 49 high ratings and 10 out of 49 middle ratings on their absolute student indicators found in the framework put forth by the district for assessing charter school pupil performance. The percentage of high ratings has increased over time. Looking across all of the school performance indicators, Noble Street Charter School can be categorized as “Making Reasonable Progress” toward achieving pupil performance standards using the framework put forth by the district for assessing charter school pupil performance.

RENEWAL TERM: The term of the Nobie Network of Charter Schools’ charter agreement is being extended for a five (5) year term commencing July 1, 2009 and ending June 30, 2014. The renewal agreement will incorporate specific conditions to be fulfilled by the charter holder and the specific timeframes in which they must be fulfilled.

AUTHORIZATION: Authorize the General Counsel to include relevant terms and conditions, including any indemnities to be provided to the charter school, in the written Charter School Agreement, which shall reflect resolution of any and all outstanding issues between the Board and the governing body of the charter school including, but not limited to: site location, enrollment, funding, educational program, financial controls and practices, academic accountability and evaluations. Authorize the President and Secretary to execute the Charter School Agreement. Authorize the Executive Officer of the Office of New Schools to issue a letter notifying the Illinois State Board of Education of the action (s) approved hereunder and to submit the approved proposal and signed Charter School Agreement to the Illinois State Board of Education for certification.

LSC REVIEW: Approval of Local School Councils is not applicable to this report.

FINANCIAL: The financial implications will be addressed during the development of the 2009-2010 fiscal year budget. Since the School Code of Illinois prohibits the incurring of any liability unless an appropriation has been previously made, expenditures beyond FY10 are deemed to be contingent liabilities only, subject to appropriation in subsequent fiscal year budgets. The cost of this enrollment will be approximately $37,134,488.00 36,125,144.00 in 2009-2010. If the Noble Network of Charter Schools applies to the Renaissance Schools Fund for funding for the new campuses and is not approved for funding, the Board shall provide a one-time payment to each campus for planning positions in an amount not to exceed $170,000.

GENERAL CONDITIONS:
Inspector General - Each Party to the agreement shall acknowledge that, in accordance with 105 ILCS 5/34-13.1, the Inspector General of the Board of Education has the authority to conduct certain investigations and that the Inspector General shall have access to all information and personnel necessary to conduct those investigations.

**CHARTER EVALUATION:** After receiving the charter renewal proposal, the Office of New Schools conducted a comprehensive evaluation of Noble Street's performance and operations. This evaluation included a review of the proposal, facilities surveys, financial analysis, and academic site visits of the seven campuses in which teaching and learning, leadership and governance, learning communities and services provided to English Language Learners and students with special needs were assessed. A public hearing was conducted on December 4, 2008 to receive public comment on the application to renew the Charter School Agreement with Noble Network of Charter Schools for an additional five years. There was no public testimony, oral or written, from anyone in opposition of the renewal of Noble Network of Charter Schools. Since 2004-2005, the charter school's attendance rate has exceeded 94%. In 2007-2008, zero percent of students at the Noble Street campuses dropped out of school. While Noble Street experienced a slight decline in the percent of students meeting/exceeding state standards on the PSAE Composite, Noble Street's average ACT Composite score has stayed above an 18. In 2007-2008, Noble Street's graduation rate (88.2%) ranked in the top 20 percent of district high schools. From 2004-2005 to 2007-2008, Noble Street received 37 out of 49 high ratings and 10 out of 49 middle ratings on their absolute student indicators found in the framework put forth by the district for assessing charter school pupil performance. The percentage of high ratings has increased over time. Looking across all of the school performance indicators, Noble Street Charter School can be categorized as "Making Reasonable Progress" toward achieving pupil performance standards using the framework put forth by the district for assessing charter school pupil performance.

**RENEWAL TERM:** The term of the Noble Network of Charter Schools' charter agreement is being extended for a five (5) year term commencing July 1, 2009 and ending June 30, 2014. The renewal agreement will incorporate specific conditions to be fulfilled by the charter holder and the specific timeframes in which they must be fulfilled.

**AUTHORIZATION:** Authorize the General Counsel to include relevant terms and conditions, including any indemnities to be provided to the charter school, in the written Charter School Agreement, which shall reflect resolution of any and all outstanding issues between the Board and the governing body of the charter school including, but not limited to: site location, enrollment, funding, educational program, financial controls and practices, academic accountability and evaluations. Authorize the President and Secretary to execute the Charter School Agreement. Authorize the Executive Officer of the Office of New Schools to issue a letter notifying the Illinois State Board of Education of the action(s) approved hereunder and to submit the approved proposal and signed Charter School Agreement to the Illinois State Board of Education for certification.
LSC REVIEW: Approval of Local School Councils is not applicable to this report.

FINANCIAL: The financial implications will be addressed during the development of the 2009-2010 fiscal year budget. Since the School Code of Illinois prohibits the incurring of any liability unless an appropriation has been previously made, expenditures beyond FY10 are deemed to be contingent liabilities only, subject to appropriation in subsequent fiscal year budgets. The cost of this enrollment will be approximately $37,134,488.00 in 2009-2010. If the Noble Network of Charter Schools applies to the Renaissance Schools Fund for funding for the new campuses and is not approved for funding, the Board shall provide a one-time payment to each campus for planning positions in an amount not to exceed $170,000.

GENERAL CONDITIONS:
Inspector General - Each Party to the agreement shall acknowledge that, in accordance with 105 ILCS 5/34-13.1, the Inspector General of the Board of Education has the authority to conduct certain investigations and that the Inspector General shall have access to all information and personnel necessary to conduct those investigations.

Conflicts - The agreement shall not be legally binding on the Board if entered into in violation of the Provisions of 105 ILCS 5/34-21.3, which restricts the employment of, or the letting of contracts to, former Board members during the one-year period following expiration or other termination of their terms of office.

Indebtedness - The Board's indebtedness Policy adopted June 26, 1996 (96-0626-PO3), as amended from time to time, shall be incorporated into and made a part of the agreement.

Ethics - The Board's Ethics Code adopted June 23, 2004 (04-0623-PO4), as amended from time to time, shall be incorporated into and made a part of the agreement.

**CHARTER EVALUATION:** After receiving the charter renewal proposal, the Office of New Schools conducted a comprehensive evaluation of Noble Street’s performance and operations. This evaluation included a review of the proposal, facilities surveys, financial analysis, and academic site visits of the seven campuses in which teaching and learning, leadership and governance, learning communities and services provided to English Language Learners and students with special needs were assessed. A public hearing was conducted on December 4, 2008 to receive public comment on the application to renew the Charter School Agreement with Noble Network of Charter Schools for an additional five years. There was no public testimony, oral or written, from anyone in opposition of the renewal of Noble Network of Charter Schools. Since 2004-2005, the charter school’s attendance rate has exceeded 94%. In 2007-2008, zero percent of students at the Noble Street campuses dropped out of school. While Noble Street experienced a slight decline in the percent of students meeting/exceeding state standards on the PSAE Composite, Noble Street’s average ACT Composite score has stayed above an 18. In 2007-2008, Noble Street’s graduation rate (88.2%) ranked in the top 20 percent of district high schools. From 2004-2005 to 2007-2008, Noble Street received 37 out of 49 high ratings and 10 out of 49 middle ratings on their absolute student indicators found in the frameworkput forth by the district for assessing charter school pupil performance. The percentage of high ratings has increased over time. Looking across all of the school performance indicators, Noble Street Charter School can be categorized as "Making Reasonable Progress“ toward achieving pupil performance standards using the framework put forth by the district for assessing charter school pupil performance.

**RENEWAL TERM:** The term of the Noble Network of Charter Schools’ charter agreement is being extended for a five (5) year term commencing July 1, 2009 and ending June 30, 2014. The renewal agreement will incorporate specific conditions to be fulfilled by the charter holder and the specific timeframes in which they must be fulfilled.

**AUTHORIZATION:** Authorize the General Counsel to include relevant terms and conditions, including any indemnities to be provided to the charter school, in the written Charter School Agreement and amendment, which shall reflect resolution of any and all outstanding issues between the Board and the governing body of the charter school including, but not limited to: site location, enrollment, funding, educational program, financial controls and practices, academic accountability and evaluations. Authorize the President and Secretary to execute the Charter School Agreement and amendment. Authorize the Executive Officer of the Office of New Schools to issue a letter notifying the Illinois State Board of Education of the action (s) approved hereunder and to submit the approved proposal and signed Charter School Agreement to the Illinois State Board of Education for certification.

**CHARTER EVALUATION:** After receiving the charter renewal proposal, the Office of New Schools conducted a comprehensive evaluation of Noble Street's performance and operations. This evaluation included a review of the proposal, facilities surveys, financial analysis, and academic site visits of the seven campuses in which
teaching and learning, leadership and governance, learning communities and services provided to English Language Learners and students with special needs were assessed. A public hearing was conducted on December 4, 2008 to receive public comment on the application to renew the Charter School Agreement with Noble Network of Charter Schools for an additional five years. There was no public testimony, oral or written, from anyone in opposition of the renewal of Noble Network of Charter Schools. Since 2004-2005, the charter school's attendance rate has exceeded 94%. In 2007-2008, zero percent of students at the Noble Street campuses dropped out of school. While Noble Street experienced a slight decline in the percent of students meeting/exceeding state standards on the PSAE Composite, Noble Street’s average ACT Composite score has stayed above an 18. In 2007-2008, Noble Street’s graduation rate (88.2%) ranked in the top 20 percent of district high schools. From 2004-2005 to 2007-2008, Noble Street received 37 out of 49 high ratings and 10 out of 49 middle ratings on their absolute student indicators found in the framework put forth by the district for assessing charter school pupil performance. The percentage of high ratings has increased over time. Looking across all of the school performance indicators, Noble Street Charter School can be categorized as “Making Reasonable Progress” toward achieving pupil performance standards using the framework put forth by the district for assessing charter school pupil performance.

RENEWAL TERM: The term of the Noble Network of Charter Schools’ charter agreement is being extended for a five (5) year term commencing July 1, 2009 and ending June 30, 2014. The renewal agreement will incorporate specific conditions to be fulfilled by the charter holder and the specific timeframes in which they must be fulfilled.

AUTHORIZATION: Authorize the General Counsel to include relevant terms and conditions, including any indemnities to be provided to the charter school, in the written amended and restated Charter School Agreement and amendment, which shall reflect resolution of any and all outstanding issues between the Board and the governing body of the charter school including, but not limited to: site location, enrollment, funding, educational program, financial controls and practices, academic accountability and evaluations. Authorize the President and Secretary to execute the amended and restated Charter School Agreement and amendment. Authorize the Executive Officer of the Office of New Schools to issue a letter notifying the Illinois State Board of Education of the action(s) approved hereunder and to submit the approved proposal and signed amended and restated Charter School Agreement to the Illinois State Board of Education for certification.

LSC REVIEW: Approval of Local School Councils is not applicable to this report.

FINANCIAL: The financial implications will be addressed during the development of the 2010-2011 fiscal year budget. Since the School Code of Illinois prohibits the incurring of any liability unless an appropriation has been previously made, expenditures beyond FY10 are deemed to be contingent liabilities only, subject to appropriation in subsequent fiscal year budgets. The cost of this additional enrollment will be approximately $946,851.54 in 2010-2011. If the Noble Network of Charter Schools applies to the Renaissance Schools Fund for funding for the new campuses and is not approved for funding, the Board shall provide a one-time payment to each campus for planning positions in an amount not to exceed $170,000.00.

GENERAL CONDITIONS:
Inspector General - Each Party to the agreement shall acknowledge that, in accordance with 105 ILCS 5/34-13.1, the Inspector General of the Board of Education has the authority to conduct certain investigations and that the Inspector General shall have access to all information and personnel necessary to conduct those investigations.

Conflicts - The agreement shall not be legally binding on the Board if entered into in violation of the Provisions of 105 ILCS 5/34-21.3, which restricts the employment of, or the letting of contracts to, former Board members during the one-year period following expiration or other termination of their terms of office.

Indebtedness - The Board’s indebtedness Policy adopted June 26, 1996 (96-0626-PO3), as amended from time to time, shall be incorporated into and made a part of the agreement.

Ethics - The Board’s Ethics Code adopted June 23, 2004 (04-0623-PO4), as amended from time to time, shall be incorporated into and made a part of the agreement.
