ATTN: FOIA Request

Attention: Mr. Mark Wancket

Dear Mr. Wancket:

The Illinois School Nutrition Association does hereby make a Freedom of Information Act request for the following information:

1. Those schools districts in the state of Illinois that DO NOT currently reprocess, with district enrollment
2. Those districts in the state of Illinois that HAVE taken advantage of BONUS commodities

Our goal is two-fold: Contact the districts that are not processing and introduce them to the basics and talk to the districts that have been able to use bonus commodities and learn what works for them to ultimately help districts better manage their commodities AND learn to take advantage of any bonus commodities that may be available.

We would appreciate receiving these lists electronically if possible.

Thank you for your assistance.

Sincerely,

Bonnie Chandler
Executive Director
