To whom it may concern,

I have a request to locate the total expenditures for 2007-2008, in regards to the total amount of special education instruction salaries. I already have the total expenditures of K-12 Public Schools for the state of Illinois and the total of regular instruction salaries (which excludes special education). So I would like to know what the total amount was that was paid to all of the special education teachers summed up into a total amount.

Sincerely,
Jafet Santiago
