Rec’d 3/9/11

Dear Matt Vanover,

This request is being made under the Freedom of Information Act. We are requesting Wilmette Public School Cook County District 39's Annual Financial Report (AFR) for the year ending June 30, 1997. The district's RCDT code for that year was: 14-016-0390-02.

Ideally, we would like the report sent to us via e-mail, but a paper copy or fax is acceptable.

If it is at all possibly to have this information today - I would forever grateful! A public citizen requested the 97 AFR, and thinking we had this document available, we promised to give it to him today. Unfortunately, we discovered yesterday that we do not have the report.

Thank you in advance for your efforts,

Mary Ann Esler
