Dear Ms. Hassell:

This letter is in response to your recent request for information under the Freedom of Information Act. Your request was received on 5/10/11.

You have requested information concerning "Illinois public school teachers who reported being physically attacked by a student from school."

The 'Student Incident Reporting System' contains the information you seek. Go to the following location: http://www.isbe.net/research/htmls/sch_incident.htm.

Note that ISBE does not have this information prior to 2005. Your letter referenced data available from the National Center for Educational Statistics (NCES). Information contained in these reports was provided directly to NCES by local school districts and is not available from our agency.

If you have questions, contact Mark Wancket at 217-782-4648.

Sincerely,

Matt Vanover
Director of Public Information
