Matt,

Pursuant to the Illinois Freedom of Information Act, I request copies of any documents not yet provided under an earlier FOIA request related to a legislative scholarship granted to a student named Michael Giorango. Among documents I seek regarding this student are the nomination form and waiver of confidentiality issued to your agency on his behalf.

As the act allows in cases involving the public interest, I request that you waive any fees associated with my request because any responsive documents could be used in the formulation of a possible newspaper story. If possible, please provide those documents in a digital format to help reduce any costs to the state.

Should you have questions, I may be reached at (217) [redacted]. Thank you for your prompt consideration of this matter.
