Business Case Information

A Procurement Business Case must be created and approved by your Agency SPO for all proposed transactions that have an estimated value of $10,000 or more, in addition to all procurements of Professional and Artistic Services, regardless of its estimated value. Procurement Business Case Information will NOT be viewable in IllinoisBID.

Has a Procurement Business Case been approved: No
Procurement Business Case Reference Number:

Overview

Description and Specifications:
ISBE issued a RFSP for the services of one lead programmer and three analysts. ISBE received fourteen proposals. Two entities were disqualified because they were not registered as an Illinois Small Business. Another entity was disqualified because they did not submit the State Board of Elections Certificate. The proposals were all evaluated in accordance with the criteria in the RFSP.

ISBE received proposals for 11 candidates for the Project Leaders positions. There were two candidates that received enough points on the narrative evaluation to receive an interview. One of the candidates was no longer available. The other candidate received a telephone interview and received enough points to open the cost proposal. ISBE conducted a best and final and the entity will received the contract (Marucco, Stoddard, Ferenbach & Walsh, Inc. (MSF&W, Inc.)

ISBE received proposals for 33 candidates for the programmer/analyst positions. There were six candidates for the three programmer/analyst positions that scored high enough to receive a telephone interview. All six were interviewed and all six proposals scored high enough to open the cost proposals. Lead IT Corporation had candidate with the highest points and lowest cost. They are awarded a contract. Ashbaugh and Associates scored the second and third highest points and both candidates are awarded a contract.

The other entity that submitted the other three candidates had a lower cost than Ashbaugh and Associates but received less overall points within the narrative and total points. Cost was given 200 points based on the formula which is inclusive of the total points.
Award to Other Than Lowest Responsible Bidder

08/13/2010 MM/DD/YYYY

There were three programmer/analyst selected for award. The entity with the lowest cost was awarded the contract. The other entity that had the second lowest cost had a rate of $65 per hour. The entity that received the contract had a rate of $72.50 per hour. There were points for the narrative evaluation and the score for the entity with lowest cost did not score as high as Ashbaugh. Cost was given 200 points based on a formula for lowest cost and even though the cost was lower the total points did not make them the leading entity.

Professional & Artistic: No

Small Business Set-Aside: No
