Dear Ms. Rudman:

This letter is in response to your request for information under the Illinois Freedom of Information Act (FOIA). Your request was received on 9/28/10.

You have requested “a copy of the most recent School Meal Initiative (SMI) Review and Evaluation” for 24 entities. In addition, you requested “statewide data gathered on the percentage of school districts that met USDA nutritional requirements” in seven categories.

Enclosed are reviews for fifteen of the entities you specified. Note that because McHenry Central High School District 156 began participating in National School Lunch Program (NSLP) on 9/1/10, an SMI Review has not been completed at this time. Also, you are not provided reviews for the following eight sponsors as they do not participate in the NSLP.

- Benjamin SD 25  
- East Prairie SD 73  
- Reavis Township High SD 220  
- Township High SD 113  
- Adlai E Stevenson High SD 125  
- Evergreen Park Comm High SD 221  
- Northbrook/Glenview SD 30  
- Oak Lawn Comm High SD 229

The following table contains nutritional requirement data.
