Dear Mr. Vanover,

I am contacting you as a research associate for the Family Resiliency Center at the University of Illinois at Urbana-Champaign. I am seeking information under the Freedom of Information Act regarding the Child and Adult Care Food Program (CACFP). I am requesting a list of all providers, both home and center care, who are participating in the CACFP in SDA10.

I would prefer a response via email sent to Abigail Holicky at holicky2@illinois.edu. However if this is not possible, please send records to my coordinator Brenda Davis Koester at the address provided above.

Sincerely,

Abigail Holicky
