Rec’d 4/10/2012

Dear FOIA Officer,

Under the Freedom of Information Act, I would like the following information: a list of all schools that have tested for radon levels in their classrooms. In addition, I would like to know the results of these radon tests and if any remediation was taken in the schools where radon levels were above EPA standards.

If you have any additional questions, please contact me at the number below.

Thank you for processing my request.
