In accordance with the Freedom of information act of Illinois I am requesting the following.

In an effort to comply with the new laws for school board members the law outlines a training requirement that must be fulfilled by an association established under the school code for the purpose of training school board members, or by other qualified providers. The portion of the statute is below for clarification.

(105 ILCS 5/10-16a)

Sec. 10-16a. School board member's leadership training.
(c) The training on financial oversight, accountability, and fiduciary responsibilities may be provided by an association established under this Code for the purpose of training school board members or by other qualified providers approved by the State Board of Education, in consultation with an association so established.
(Source: P.A. 97-8, eff. 6-13-11.)

I am requesting the list of associations established under this code as well as a list of other qualified providers approved by the State Board of Education.

If possible please provide in electronic format.

Thanks
Kirk Allen
