Matthew McDermott

Dear Mr. McDermott:

This letter is in response to your request for information under the Illinois Freedom of Information Act. Your request was received on April 13, 2012.

You have requested “data on annual school construction spending for the years 2000 through 2011 by county that would include two school construction data sets: a) K-12 schools by county and b) higher education schools (2-year, 4-year, and university) by county.”

The attached documents (12-326-mcdermott-doc1.pdf through 12-326-mcdermott-doc5.pdf) are provided in response to your request. The documents include all school construction, energy efficiency and maintenance grants given to school districts.

Please note that our agency does not possess documents for higher education schools. We recommend contacting the Illinois Board of Higher Education and the Capital Development Board.

If you have questions, please contact Amanda Simhauser at (217) 782-4648 or asimhaus@isbe.net.

Sincerely,

Matt Vanover
Director of Public Information
