Amanda, Mary and Matt,

Pursuant to the Illinois Freedom of Information Act (5 ILCS 140), this is a request for public records maintained by the Illinois State Board of Education.

Please provide:
- Any available summary statistics of testing irregularities for the PSAE and ISAT exams in 2010 and 2011.
- Any documents of district-reported irregularities for the 2012 PSAE and ISAT exams.
- Any documents of any kind related to the 124 total ISAT incidents reported in 2010 and the 83 total ISAT incidents reported in 2011 (based on the summary statistics for irregularities in both years), including the districts and schools involved and any district fact-finding investigations provided to the state.
- Any documents of any kind that would illustrate the number of testing irregularities for the PSAE and ISAT exams between 2002 and 2009.
- Any records of, updates on or e-mails pertaining to the erasure analysis ordered by State Schools Supt. Chris Koch in spring 2011.
- All documents (electronic and paper) provided to Diane Rado on 3/7/12 in response to a FOIA she filed on 1/3/12.

Chicago Public Media is a non-profit organization working for the public good. This request is made as part of our newsgathering efforts. We ask that you waive the fees for this service. If you do not waive the fees, we agree to pay any reasonable copying and postage fees of not more than $200. If the cost would be greater than this amount, please notify us. Please provide a receipt indicating the charges.

If the requested records exist in electronic form, we request they be provided in both print and electronic forms.

Illinois law requires your office to respond to this request within five [5] working days. If you have questions about this request, please contact me. If you choose to deny this request, please provide a written explanation for the denial, including a reference to the specific statutory exemption(s) upon which you rely. Also, please provide all portions of material that do not fall under the exemption(s) cited.

As a member of the media, I believe disclosure of the requested information is in the public interest.
