Illinois State Board of Education
Amanda Reavy
FOIA officer

Pursuant to the state open records act, I request access to and a copy of any and all correspondence including e-mails, faxes and letters among the Illinois State Board of Education, the District 113A Board of Education, the auditor for the Illinois State Board of Education, former interim business manager Jay Tovian, former business manager Bob Beckwith, business manager Barbara Germany and Superintendent Tim Ricker that pertain to unallowable reimbursements granted to District 113A by the Illinois State Board of Education.

Please respond within five working days of receipt of this written request, as stipulated by law. If available, I request electronic or digital copies of the requested information. Otherwise, as you are aware, the first 50 pages of black and white, letter or legal sized copies are free. If the information is more than 50 pages, I request a waiver of all fees for the request, because disclosure of the requested information to me is in the public interest and is likely to contribute to public understanding of the operations or activities of the school district, a government entity, and is not primarily in my commercial interest.

If my request is denied in whole or part, I ask that you justify all deletions by reference to specific exemptions of the act.

Thank you for your assistance.

Sincerely,

Janice Hoppe
