Please provide the following information as a FOIA request. This is to include all school districts in the state of Illinois.

A. Driver Education Teachers in each dist., their salaries, education level for each teacher, and years employed as a driver education teacher in the state of Illinois.

B. The combined total that the school districts in the state of Illinois have spent on driver education to include benefits and overtime paid for driver education.

C. The reimbursement amount received from the state to the school districts.

D. The year that the most recent driver education vehicles were purchased, the cost, make and model of the vehicle.

E. The maintenance records for the driver education vehicles.

F. Please create this as an itemized report. For the FY year of 2004 & 2005 specifically.

G. If possible, we would like the FY 2004 to date.

Please contact me if you have any questions, or if there will be any cost involved.

We would like this information on a CD – Rom if possible.

thank you,

Charles McCoy
