To whom it may concern,

Pursuant to the Illinois Freedom of Information Act, I request a list of AP scholars for every high school in Illinois for all award levels: AP Scholar, AP Scholar with Honor, AP Scholar with Distinction, State AP Scholar, and National AP Scholar. I would like the list to contain the first name, last name, name of the school, current grade level, and if they graduated.

As the Act allows, please waive any fees associated with my request since any responsive documents may be used in the production of a newspaper story or stories.

Should you have any questions about my request, feel freed to contact me either by phone or email.
Thank you for your prompt consideration on this matter.
