Dear Matt:
I am requesting, under the FOIA, that you please send me any and all information that ISBE will provide to the State Educator Preparation and Licensure Board for their April meeting regarding the new cut scores (or pass rates) being recommended for the 4 subtests on the new Test of Academic Proficiency. Specifically, I request

- The recommendations made by the Expert Panel that ISBE assembled in mid-February 2012 to recommend a new cut score on each of the sub-tests of the Test of Academic Proficiency;
- A list of the names and affiliations of those who served on the Expert Panel
- Any accompanying data and any other information, such as information or recommendations made by Pearson, that ISBE will provide the SEPLB about the cut scores or passing rates
- Any data on racial and ethnic impacts that a new cut score might have
- Data on the cumulative pass rates on the Basic Skills test: September 2010 – December 2011.

Thank you. Please email this information to me at

Sincerely,
Anne Hallett
