Dear Mr. Moy:

This letter is in response to your request for information under the Illinois Freedom of Information Act (FOIA). Your request was received on March 21.

You have requested “copies of all district policies regarding the social and emotional development of students submitted to ISBE by each of the 879 Illinois school districts pursuant to Public Act 93-0495 (SB 1951), also known as the Illinois Children Mental Health Act of 2003.”

On March 28, our agency sought a five-day extension until April 4.

After checking with multiple divisions within our agency, we have yet to find where the requested records are stored. We will continue our search and provide the policies to you as soon as they are found.

If you have questions, please contact Amanda Simhauser at (217) 782-4648 or asinhauser@isbe.net.

Sincerely,

Matt Vanover
Director of Public Information
