ATTN: FOIA Request: Environmental Technical Institute

To Whom It May Concern:

I write in follow up to the Freedom of Information Act request that I submitted to your agency on November 18, 2010 in connection with the above-referenced career school, an image of which I attach for your reference.

(1) In making your agency’s response to that request, it is apparent that your agency inadvertently failed to photocopy certain materials. Specifically, I direct you to a certain letter sent to your agency on behalf of the school dated April 15, 2009, which included certain financial statements. Unfortunately, your agency failed to forward certain pages of those financial statements, specifically, pages 5, 7, 9, 11, 13, 15, 17, 18, 20, 24, 26, and all pages after page 27 thereof, if any. I would be grateful if you would correct that oversight by forwarding copies of those pages to me at your earliest convenience.

(2) In addition, I hereby request disclosure of the following information, in accordance with The Freedom of Information Act: for the time period beginning with November 19, 2010 and ending today, (a) all written communications received by the ISBE from Environmental Technical Institute or sent by the ISBE to Environmental Technical Institute, including, but not limited to, all applications and accompanying exhibits, and (b) all written communications made by the ISBE to Environmental Technical Institute.

Very truly yours

Francis P. Tighe III
