Charles Flowers

Dear Mr. Flowers:

This letter is in response to your request for information under the Illinois Freedom of Information Act. Your request was received on May 1, 2012.

You have requested the name, address, telephone number and e-mail address for all Illinois district superintendents.

The information you seek is available on our FOIA website at www.isbe.net/foia/default.htm.

Note the light blue chart titled FY 2012.

The first column is labeled “Log #.”

Scroll down to number 12-124.

The far right column contains a link to an Excel file that contains contact information for district superintendents and principals.

Column A can be sorted to isolate district superintendents, public and nonpublic school principals. Note the following codes:

- Dist – District superintendents
- Sch – Public school principals
- NonPubSch – Nonpublic school principals

Note that Column B contains code numbers for all facilities. The final four digits represent the school number. If the first number in this four-digit cluster is 2, it represents an elementary school. If the first number in this cluster is 1, it indicates a middle/junior high school. For nonpublic buildings, levels are not indicated.

If you have questions, please contact Amanda Simhauser at (217) 782-4648 or asimhaus@isbe.net.

Sincerely,
Matt Vanover
Director of Public Information
